

Now is the time Dining Hall Furniture

Make a donation for a chair made from solid wood and have your name or family name on a plaque on the back of the chair.

Or pool your resources as a family, sports team or year/friend group and purchase a table.

Our new solid wood Dining Hall tables and chairs are in the Dining Hall thanks to the WCSOBGA supporting the project. The first plaques are on for those who have supported the project and purchased a table or chair.

We would love our WCS community to be part of Whanganui Collegiate School history.
