## COLLEGE BOARD AND SCHOOL BOARD REPORT

**B**oth Boards acknowledge the Headmaster and all staff, students and parents for the resilience shown in dealing with what was a disrupted first half year impacted by COVID and the flu. School events have returned and we thank everyone who has helped to ensure that School life has remained as normal as possible.

We are pleased to confirm that over the summer a new boiler room and plant room will be installed in Grey House, thanks to the generosity of Grey House Old Boys and the Foundation. Fortuitously, the Foundation funded all the plumbing hardware a year ago, at a cost of \$200,000, which would be substantially more if we had to purchase it today. Copper piping has gone up five times!

We thank our Grey House students and parents for their patience over the stalled renovation to bring Grey House in line with the other boys' Houses. With international students unable to get into New Zealand for two years and massively increased costs due to inflation, the Board has had to take a conservative approach to our discretionary spend, and thus the Grey House upgrade had to be delayed.

The Grey refurbishment will be done incrementally. The next stages are the junior bathroom, then the senior bathroom, which we would like to complete over the course of 2023.

Thank you very much to all those Grey Old Boys who have contributed \$130k to this project. We would encourage all our Grey Old Boys to make a contribution on some level to expedite the completion of the full refurbishment. For donations to the Grey House project please contact the School for a donation form.

The quality of staff applying for positions in all roles is high and continues our drive

towards excellence, especially in teaching and boarding, and in the areas of administration.

The School continues to develop a high-performing learning environment, fostering a positive, innovative and collaborative workplace which attracts, develops and supports all staff.

The connections and associations Whanganui Collegiate School is developing across the educational landscape - we are leading that charge across New Zealand and the Globe with our networks. We are a Round Square Global School and the connections this provides for our students are exceptional. The Headmaster will be presenting at the Round Square Headmasters' Symposium in the UK in January, and as a School we will be hosting a Round Square International Conference in December 2023.

The School is a member with Australian Boarding Schools' Association, and the only NZ School to be an International Affiliate of the Boarding Schools' Association - UK. These connections allow WCS to be a leader in boarding and character education and we continue to strive for our School to be the very best.

The School Board thanks the recently retired parent-elected Board members Mrs Jenny Robb and Mrs Suze Redmayne for their time and effort over the past three years. Their knowledge and enthusiasm has been significant and much appreciated. We would also like to acknowledge Mr Mathew Owen, teaching staff representative for the past three years, for his valuable contribution particularly in the regular presentations of academic results. We welcome Mrs Sara Ross, Mr Rhys McKinlay and Mrs Tash Bullock as their replacements, thank them for putting themselves forward and for their ongoing support.

A key focus for the School Board over the next year will be managing the impact of changes to NCEA proposed by the government. The Headmaster and academic team are working through these to ensure the School continues to provide a robust and challenging academic curriculum.

With demand for enrolment high, at the end of 2021 the Ministry of Education approved an increase to our domestic roll from 430 to 470 students. This increase is for boarding only. We continue to see high expressions of interest from across the country, as many parents come to appreciate the benefits of the 7-day boarding model for the development of young people.

Looking to the future, we have embarked on a concerted effort to relaunch the Capital Generation initiative, to fund the long-term, inter-generational assets of Whanganui Collegiate School. Our 111-year-old assets and grounds require constant maintenance and upgrades, to provide safe, comfortable and pleasant surroundings for our students and staff. We hope all our community will consider supporting at some level our "Now is the Time" fundraising campaign. Past generations have always supported future generations of WCS to ensure our magnificent campus is maintained to a standard consistent with expectations.

We would like to express our appreciation to current parents. We know many of you make enormous sacrifices to give your sons and daughters a quality WCS education.

We wish all our community a relaxing, refreshing and safe Christmas break with friends and family, and thank you for your ongoing support of the School.

*Mr Guy Pierce*  
**Chair**

## HEADMASTER'S PRIZE GIVING SPEECH

Welcome to you all to our 2022 Prize Giving. It is an absolute pleasure to be back in the IZARD Centre this morning, celebrating together, without restrictions of previous years. Today is a celebration of success across our academic, sporting, cultural and special character areas of Whanganui Collegiate School. I would like to take this opportunity to thank Mr Rob van Dort, Ms Dawn Michelson, Mrs Barb Saunders, for the work they have done in organising today's prize giving.

Servant leadership should be modelled from the top and I acknowledge that of Deputy Headmaster, Mr Grant Muirhead, along with the Executive of the School whom all serve with excellence and commitment. The Trustees of both Boards, in particular Chairs Jason Bowie and Guy Pierce are also to be acknowledged for their continued support, guidance and generosity of time.

At Whanganui Collegiate School we have exceptional staff. Yet another a year when teaching and auxiliary staff have been expected to work in different ways due to COVID and then the Flu. The volume of work completed again during 2022 and the excellence with which it has been accomplished is to be commended. I would like to take this opportunity to thank our staff, teaching and non-teaching, for the committed work they do to provide the best learning environment for our students. We continue to strive in our performance academically, and again we are well placed going into our 2022 examinations – we strive for excellence, we plan, prepare and perform.

Student life at Whanganui Collegiate School is unique. From the Houses to the classrooms to the sporting fields, to drama, music and debating it is our aim as educators to know you. To speak to aspirations rather than insecurities. It is my belief that we should speak to the best of a person and encourage them to flourish – to step alongside and say... there is more in you than you know. As we approach the end of 2022, I am very thankful for the year, its challenges and opportunities. At Whanganui Collegiate

School, we offer a unique richness of community. This is the essence of a seven day, boarding and day school where learning is a way of life, and at WCS, this happens 24/7.

I must thank our Health Centre staff, Housemasters, Heads of Year Residential staff and Matrons, for their tireless pastoral support and how they look for areas they can encourage the personal and academic aspirations of students. This Vertical and Horizontal system is proving to be invaluable. I often speak to new parents of the "tartan approach" and this year, with all its challenges, has proven how well this works. I would also like to acknowledge and applaud our International Directors of Mr Alan Richardson and Mrs Lucy Trott for their guidance, thought, actions and most importantly, kindness and compassion for our international students and their families, some of whom are here today. Welcome and thank you for your support.

Our Cultural, Performing Arts, and Sport programmes are tremendous. The commitment from our teachers, parents and community for a rich, rigorous and accessible co-curricular programme is second to none. We strive for excellence and our achievements in this area are vast. Our two awards assemblies this year have been brilliant occasions, celebrating the achievement of our wonderful students. Today again, highlights the incredible success of our students. My thanks to our staff, along with our coaches, managers, and itinerant teachers for their tireless and committed work to our co-curricular programme. This is evident this year with our Cultural and Sport Honours - 11 Honours awarded, across a range of academic, service, music and sport.

Our School continues to thrive – the foundations are set and there is a robust plan for continuous improvement and sustained success. Yes, our roll continues to improve but it's not just about numbers - it is about people. We are developing children of promise to young adults of character.

As Headmaster, I look forward to working closely again with our students, in particular, the Blueshirt team announced yesterday. The door always remains open for leadership opportunities, and we look forward to making appointments throughout 2023 for those who model servant leadership, for it is not what we wear which defines leadership.

And so, to our Leavers and your families. To our parents who celebrate with our Year 13 students today, thank you for providing an opportunity for our School to partner with you in educating your children. It is a unique situation involving trust, communication and at times challenge. Yet, you have become part of the Collegiate family and this is a unique bond which will last, through yourselves and through your children. You too, gain that pillar of lifelong friendships. Thank you for walking this road with us and trusting us in guiding your young adults.

Our current Heads of School, Josh, Emily, Lyla and Hunter and our 2022 Blueshirt team, along with all student leaders and House Prefects- thank you for your leadership of the School. You are a fine group and I look forward to seeing where you go from here – I know that you will earn the respect of anyone you work with.

To our Year 13s. Have high hopes. Do not under-estimate the difference you can make. There is no place worth going that can get there with a short cut. Excellence happens out of your comfort zone.

Embark on the next chapter with courage and conviction – never tire of doing good, and as it says in our School prayer... be honorable and charitable to all people.

I wish each and every one of you and your families the very best.

It is indeed an honour to lead Whanganui Collegiate School - where we lead to encourage the best, where we challenge ourselves, and others, by stepping out of our comfort zones, to keep striving and to develop our knowledge and character to be of great influence.

- Vestigia Nulla Retrorsum

## SPEECH FROM HEAD OF SCHOOL - EMILY MCKINLAY

Whanganui Collegiate School is unique; we are a 7-day co-ed boarding community consisting of staff and students with varied skills and interests who thrive off each other, and while we are small, we punch well above our weight in almost everything we do.

As we all sit here together to reflect on another exceptional year for our school and the Collegiate community, there is so much to be thankful for; we have had far less disruption and a greater sense of normality at school with Tournament Week finally taking place, our beloved winter sports festival returning and family and friends once again in attendance at Collegiate Weekends, and special occasions such as today.

My time here has been filled with many incredible experiences and many firsts. Within the first few weeks of Year 9, I had my first experience sitting in a boat on the Whanganui River. My new sport of rowing soon went from something fun to try with my mates, to my sporting passion. It became an outlet that pushed me outside of my comfort zone and taught me some valuable lessons that are universal to us all.

A main feature of the Collegiate tent at Lake Karapiro, is a whiteboard where the names of the crews racing that day are listed. No matter how many races there are, and how full the whiteboard gets, there is always a small space at the bottom where the following words lie as they have done for as long as I can remember.

***'The dream is free but the hustle is sold separately.'***

Anyone can have a dream, a goal they aspire to achieve and there aren't really limitations to what this may be. Dreams are important and dreams are different for every individual.

As a rower, the goal was to make the fastest boat possible, yet we could not just sit back and hope that our boat could move.

As I often heard in the boatshed - ***"Do the mahi, get the treats."***

THIS is where the hustle comes into play. We all had to make sacrifices and put in the hard work to achieve our goal.

This message does not just apply to rowers, it's universal and being prepared and willing to work hard when required to achieve goals academically, on the sporting or cultural front or through your friendships is invaluable.

***If you want to go fast, go alone. If you want to go far, go together.***

This sums up the team ethos of rowing in a larger crew, a sporting community. It highlights the importance of teamwork, the shared highs and lows of training and racing hard together or having to endure regular early starts.

Life is so much more enjoyable when you do it with others, with your team of people. There is only so far you can go by yourself and we are fortunate that once we set foot in this school we have a team of over 500 that surround us during our time here.

I'd now like to take the time to thank those who have supported me throughout my time at Whanganui Collegiate.

**Mr Brown**, we started at Whanganui Collegiate School with you, as your very first Year 9s, back in February 2018. Now you are about to complete five years in your role as Headmaster as we finish our time at secondary school. I would like to

thank you and Mrs Brown for your unconditional support over the course of this year.

To my fellow Blueshirts, our year is almost complete. Thank you for the leadership and encouragement you have provided your Houses and the student body this year, all while managing your own personal goals and responsibilities. Good luck and go well!

**To my girls in Godwin House and Mrs Abraham.** I am very grateful to have had such a friendly place to call home for the last five years. Thank you for always providing a laugh, offering support and helping to create fond memories.

**To the wonderful staff of Whanganui Collegiate School.** Those in our classrooms and on the sports fields, in the administration and our Houses, the dining hall staff, cleaners and groundkeepers. The foundations of our School lives are built through you and words can never do justice to the immense contribution you have made for each and every student during their time here. You are what keeps Whanganui Collegiate ticking over smoothly. Thank you.

I would also like to extend my gratitude to a few staff members in particular:

**Mr van Dort**, you are the heart and soul of this School. Thank you for upholding the traditions of Whanganui Collegiate and what it stands for. So here's to another 21 years.

**Mr Tyler Scott** - thank you for helping me to see rowing as a means of 'reframing adversity' and for giving myself and others a new perspective of what is physically and mentally possible. Rowing has been a major part of my life at Collegiate and I thank you for your ongoing commitment to me and those who choose the 5am wakeups.

**Mr Gil Barnitt** - I am grateful for your tremendous support, positivity and good humour, and for politely tolerating my choice of music. Remember Sir, in the gym, it's not about the colourful lyrics, it's the beat that matters.

**Year 13s**, today marks a special day for us all.

I remember in Year 9 listening to a leaver's speech. She said to her peers "Year 13s, we have completed 15 Collegiate weekends together, attended over 160 Big School assemblies, sung 400 times in chapel, walked hundreds of kilometres up and down the drive, and we are now at the finish line." While listening to this I remember thinking that someday those figures won't seem so ridiculous. Today it's hard to believe that our finish line is within reach. We have had our last time getting flat-tyred on the drive, our last time losing our voices cheering our Houses on at Collegiate weekends and our last time ruining a good song after

practising it countless times for House Music. All these special 'lasts' should make us reflect fondly on our time being a student at this School.

I wish you luck for your future endeavours. Make your mark, and no matter what directions life takes us, we will forever have a connection to each other, through the 'Black and Blue'. Thank you for five memorable years.

To the Year 9s, 10s and 11s, I wish you the best of luck for the years you have left and thank you for making Collegiate a school to be proud of. I have been lucky to help lead you this year.

To Jaden, Jess, the Blueshirt team for 2023 and all in Year 12, I encourage you to look forward to, embrace and eventually reflect with pride upon those special moments in your upcoming final year, because although we are often told that the time flies by quickly, you never really believe it, until it's too late!

Finally, I want to say thank you to my built-in support system, Mum and Dad. There is not much I can say that can truly express how much I appreciate your words of encouragement and support over the past five years. Countless times, there you both were, watching my matches and races or ready to talk when things were challenging. I never took those moments for granted, so thank you.

Leadership is not something that you are born with but something that is developed. I thank you for entrusting me with that responsibility.

It has been an honour to serve you as Head of School.

For all the things we do for the sake of the black and blue,

Thank you for everything, Whanganui Collegiate School

*Emily McKinlay*  
Head of School

## SPEECH FROM HEAD OF SCHOOL - JOSHUA BRUNGER

As a shy Year 9 boy sitting in Big School on my first day of school, I could have never imagined I would have the privilege of standing here in front of you today. But I didn't make it here alone. I stand here because of the many people who have helped me navigate not only the past 5 years here at Collegiate but the last 17 years of my life.

***"He aha te mea nui o te ao, what is the most important thing in this world, He tangata, he tangata, he tangata, it is people, it is people, it is people"***

They say it takes a village to raise a child and I wholeheartedly believe this to be true. It is the people and experiences we have throughout our lives that help shape us. Our teenage years are often the most formative years of our lives, so the values and traditions that Collegiate has instilled in us, will have a lasting impact on us all. It is up to us though to decide how we apply these values in our everyday lives.

Vestigia Nulla Retrorsum 'never a footstep back' the School motto will forever be etched in the memories of us all. However, I believe the true message of this motto is not simply to avoid stepping back but to remember to step forward. This is the true challenge we all face, especially the Year 13s as we embark on the next stage of our lives. While many will be excited to move on, there will also be some trepidation about what the next chapter holds. But whether you are leaving or returning to Collegiate next year, we all need to remember to continue to step forward out of our comfort zone, as it is

there that we will find the best opportunities for growth.

What my time at Collegiate has taught me is this isn't always easy to do, but if an environment is created to allow strengths to be tested and weaknesses to be supported, then we can experience that growth and take that step forward. That support comes in many forms and sometimes from places and people you least expect. This has certainly been true for me during my time here at Whanganui Collegiate. I have had so many people support me throughout my time here, my peers, teachers and my wider Collegiate family and friends, all have helped mould me into the person I am today.

### TO MY PEERS

Whether it was on the sports field, during House activities, in the classroom or simply walking down the Drive, I have been surrounded by my peers who have been there to listen when I needed support and to celebrate any

successes with me along the way. Without my peers I would never have experienced the terror of performing a debate in front of the School, of leading the School haka before a rugby match or during House tikanga, of playing the drums during the School production and I wouldn't be standing here today without the support of you all. Through all these experiences I never felt alone, and it is because of you all that I was able to find the confidence to step forward and take part. While I might not have appreciated it at the time, I now see the value of all these experiences, and they will be memories I will treasure forever.

### TO OUR TEACHERS

They say the best teachers are those who show you where to look but don't tell you what to see. I have been lucky enough to have some amazing teachers over the years who have done just that. Each one sharing their passion for learning in their own unique way. We don't often see the hours of prep teachers put in to ensure we have the best chance of succeeding. So, remember to take time to show your appreciation for the time and dedication the staff here at Collegiate provide to help you all step forward and achieve your goals. Many go above and beyond what is required simply because they care and some even inspire our future career pathways, challenging us to step forward and explore possibilities we never knew existed. I would like to take the chance to personally thank a man who embodies all these things. Mr Van Dort. The pure magnitude of what he does for every student who passes through the Collegiate gates and for the School is something to be celebrated and acknowledged. He is such a selfless person who puts others' needs before his own. He is often the man behind the scenes ensuring that the values and traditions of Collegiate are upheld. The Anzac service and the thousands of student photos taken every year are just 2 examples of how he goes above and beyond what is required to make our time here at Collegiate a memorable and unique experience. So, on behalf of myself and the students I would like to thank you Mr Van Dort and all the incredible staff

here at Collegiate for being role models and showing us all the importance of stepping forward, not only for ourselves but also to support others.

### TO THE WIDER COLLEGIATE COMMUNITY

At Collegiate our community is like no other. As you walk the drive you know every student, and every staff member and you feel a sense of pride and belonging to the history and traditions it stands for. We are forever connected to the black and blue and the legacy that we all contribute to. Collegiate weekends create unique opportunities for us all to come together and celebrate who we are and where we come from. The House environment replicates a home away from home and a family environment that we all loyally defend when it comes to any academic, cultural or sporting House competition. I am and will forever be a proud Harvey man and I know all of you will feel the same about your own Houses. Mr Jones and Mr Buckley before him, Matrons, Jane, Robbie and Kylie and to all the other matrons, Housemasters, coaches, dining staff, cleaners and people who make Collegiate the place it is today, on behalf of all the students, thank you for helping us all step forward and encouraging us to be the best we can be.

### TO MY FRIENDS AND FAMILY

When we walk out the gates for the final time, I know that the friendships I have made here will last a lifetime. While we will all be taking a step in different directions, the last 5 years here at Collegiate will bind us together forever. Thank you for making the journey through Collegiate full of fun and laughter.

Family isn't defined by last names or even blood, it's defined by commitment and love, it means showing up when they need it most, it means helping others step forward but also sticking around to help celebrate the journey along the way. It is family that help us take our first steps in life and continue to walk alongside us, helping guide us through each stage of our lives. My family have encouraged me to step forward in all aspects of my life. I

have been empowered to make my own decisions and value experiences and friendships over material possessions. Thank you doesn't seem enough to express how much I value the foundation my family has given me but thank you. Thank you for everything you do and for laying a strong foundation for me to continue to step forward into the next exciting phase of my life. Mum, Dad you are my absolute rocks and I stand on this very stage today because of the two amazing people you are, and the attitudes, beliefs and morals you have raised me with. You have guided me through every twist and turn of my life and I am eternally grateful for your unwavering love and support.

***So, if you are Year 9, Year 13 or somewhere in between look around you and ask yourself this.***

Who has helped you to step forward? Have you acknowledged and thanked them? If not, I encourage you to do so.

Have you supported others to step forward? If not, why not? I challenge you all to support others to step forward in some way. Embody our black and blue values because you want to, not just because someone is looking or expects you to.

Success looks different for everyone, so define what success looks like for you and surround yourself with people who help you step forward, while also supporting others to do the same.

So, whatever your goals are for 2023, start planning that first step towards them and surround yourself with people who are going to support you along the way. Don't be afraid to fall because even if you fall you will still be making progress towards your goals. Keep building your village, the journey is so much more enjoyable when you share it with others.

Your time here at Collegiate goes by so fast so make the most of every opportunity, every experience, and every step.

## PREMIER AWARDS - ACADEMIC

### THE GILLIGAN HOUSE MEMORIAL SCHOLARSHIP

Awarded to a student(s) in the fourth year of secondary schooling, having shown talent in an area (not necessarily academic or sporting) and having been generous in general contribution to School life; to assist in developing a specific talent/interest.

**B N Anderson**

### WCS FOUNDATION SCHOLARSHIP PRIZE

Presented to a Fourth Year student [at the end of his/her fourth year] who is continuing into Year 13 at WCS, and is not a current holder of any academic scholarship, nor is the recipient of the Bradley Memorial Scholarship, for outstanding academic progress and promise of further scholastic achievement.

**J E Yates**

### J H BRADLEY MEMORIAL SCHOLARSHIP

Awarded to a student of high academic ability usually at the end of his/her fourth year, in memory of John Bradley, Fourth Year student of great promise, whose qualities of character and scholarship were enjoyed and respected by all who knew him; drowned at Lake Taupo in 1966 while still at School.

**A C van Florenstein**

### THE GUNASEKARA TROPHY - PROXIME ACCESSIT

For all round scholarship at Year 13.

To commemorate the academic achievement of Gehan Gunasekara, Whanganui Collegiate School's first Sri Lankan student, 1977-81.

**S J R Hayes**

### THE LORD COOKE OF THORNDON AWARD FOR DUX OF THE SCHOOL

In honour of Lord Cooke of Thorndon, PC, ONZ, KBE (WCS 1940-43), New Zealand's pre-eminent jurist, who died in 2006. Sponsored by the family of Lord Cooke.

**J G Bryant**

## PREMIER AWARDS - CONTRIBUTION TO WCS

### THE BISHOP'S MEDAL

**T A Norman**

For service to the maintaining of the Anglican ethos of the Special Character of the School.  
To be presented by the Bishop.

### ALAN SKILTON MEMORIAL AWARD

**H W Gibson**

Awarded to a student who has shown a solid academic background, leadership qualities and active involvement in the broader aspects of the School and/or community.

### HEADMASTER'S PRIZE FOR OUTSTANDING SERVICE

**J A Brunger/E J McKinlay**

The Head Prefects.

### SCHOOL SERVICE AWARD

**S E H Harrison, O G Leask, D P Ritchie, C A K Wilson, H Yutoku, P Permphol**

For qualities of administration/service shown by a non-Blueshirt.

### WILLIAM WILLIAMS MEMORIAL TROPHY

**L L Monckton**

Awarded to a student in the senior school who has consistently displayed a vitality in his/her approach to life, a warm concern for others, a pleasant manner coupled with good humour, and a willingness to serve.

### MALCOLM BEATTIE MEMORIAL MEDAL

**L M Brown**

Awarded to that student who, after being at School for not less than four years and not having been awarded the Marshall Memorial Exhibition, has, during his/her School life most worthily upheld the traditions of the School in respect of honour, loyalty and duty, with personal efficiency.

### THE NIGEL BUNNY MEMORIAL PRIZE

**J A Seeds**

Awarded to a student leaving School at the end of the year, who has given outstanding service to the community, especially in his/her faculty for thoughtful leadership, his/her willingness to work with other people, and the integrity of his/her School life. The winner also holds the Memorial Salver given by the Bunny Family in memory of Nigel, a student of outstanding promise, who died following an accident shortly after he left School.

### MARSHALL MEMORIAL EXHIBITION

**M N Orr**

Awarded to a student who shall have best maintained, during his/her School life, commanding powers of leadership, especially through the example of his/her character and his/her consideration of other people, and intends to proceed to university or other educational institution.

# MCKINNON *Celebration*

On 20-21 May the School honoured former Headmaster Ian McKinnon and his wife Jenny, naming the Administration building the "McKinnon".

The Naming Ceremony was held with the full School attending, followed by a Formal Dinner attended by 100 guests.

On the Saturday there was a Remembrance Service in the Chapel for those Old Boys of the McKinnon era who are no longer with us, followed by lunch in Big School where many stories were shared.

## WCS Chapel

The Chapel has returned to a regular rhythm of prayer and worship through Chapel services on Wednesday mornings and Sunday evenings. The disruptions of COVID feel like a memory of another time, and as a result, we realised afresh that gathering as a community was important to the life and spirit of our togetherness and we were very pleased to experience School singing and common worship once again.

Our Staff Chapel team are extremely dependable, have unique skills which they offer in the Chapel services and are very supportive of me as the Chaplain. Our organist is Mr Don Colway who is an WCS Old Boy and has performed in this role for the last eight and a half years. Mr Richard Ellsworth is Head of Academic Music and helps to co-ordinate the rich, musical services that we have been able to create. He is supported by our choir master, Iain Tetley, who is a professional singer and who we all look forward to seeing performing as the main character in the Phantom of the Opera.

The theme that I proposed for the Chapel this year was '*Daring to Dream*' as I felt that students, because of the limitations of COVID, had lost the ability to imagine the bigger picture and had therefore stopped having hope in their goals for the future. I wanted to see their goals emerge while being supported by a spirituality with strong values which is part of the Christian Fellowship. It has been good to see their spirituality and longing to aspire return.

Our Chapel leader this year was **Tessa Norman** who was well supported by **Alice Barry**. We no longer have sacristans, but we have managed to create a small Chapel team that undertake some charity work for events like the World Vision 40 Hour Famine and Relay for Life.

As a team they also ministered to the School through the service they created about homelessness where they shared some of the struggles that people experience.

This year the local Relay for Life event was cancelled due to COVID which was disappointing as students had already raised almost \$30,000 online and so instead, we created an evening event at WCS where students dressed up and got into the spirit of the walk. It became an evening of fun where the music department showcased their students' performances.

As an Anglican school we believe in contributing towards the service of the wider community. There are several service activities that have emerged post-COVID around assisting local schools in feeding their student's breakfast. Some students have worked at the Tawhero School, through the support and co-ordination of **Penny de Jongh**, while others have assisted at the Keith Street School.

Jesus lived an inclusive life where he recognised and listened to the voices of others. In keeping with the spirit of inclusivity, this year we have included numerous languages in the Chapel which represent the diversity of the language and culture of our students. I have also included in the PowerPoints, that we use for our services, the photographic images of our student **Eko Noguchi** who has captured images of great beauty which she took in the Chapel, but also from nature recognising that art and creativity support our spiritual development.

As I conclude this report, I am most grateful for the support of my colleagues and students who have served in the Chapel teams.

*Rev. Sue Paton*

**WCS CHAPLAIN**

# ANZAC Service

The Annual ANZAC commemoration was held on Friday 6 April and for the first time, in the Bidwill Quad. It was a perfect setting for the Service, without the noise of traffic along Liverpool Street.

The Service began with the flyover of a Harvard with RNZAF Instructor Squadron Leader Paul Stockley in command. The Headmaster gave the address and the Blueshirts and staff read the names of the fallen.

**Rebecca Boden-Cave, Matthew and Ben Poulton, Ella and Jack Carver-Vitens, Oscar and Georgiana Absolom, Rylie and Nixon Wright, George Nilsson, Toby Craig, Harry Wells, Haana Kilmister and Charlotte and Hugo Giblin** placed crosses for their Old Boy relatives who fell in the various wars.

The privilege of placing the Cross for the Unknown Soldier was given to **Noah Lett-Cudby**.

We were pleased to again have visitors from the community attend our Service. Mr Stephen Birch, Mr Jamie Anderson, Ms Trish Keiller, Mr George Marshall and Mrs Bea Rockel all placed crosses for Old Boys' relatives who had died in war, and wreaths were laid by Mr Peter and Mrs Mary Dickenson on behalf of Gilligan, Marris, Porritt and Empson Houses; Mr Don Merito on behalf of the 28th Maori Battalion and Messrs John Hammond and Ewen Noble on behalf of the RSA. It was wonderful to have Squadron Leader Kirsty Calman (Gw 2002-04) place a wreath on behalf of Old Boys and Old Girls currently serving in the Armed Forces. It was also wonderful to have former Headmaster Mr Tim Wilbur attend the Service.

Old Boy Mark Keely has for many years played the Last Post and Reveille and we are fortunate to have someone of his ability contribute to the occasion. Liam Kleingeld raised and lowered the flag and it is good to see students involved in the Cadet Corps. An unplanned 'highlight' of the Service was the 'Inspection of the Students' by Richie, Mr van Dort's fox terrier.

Mr Richard Bourne, Mrs Frances Gibbons and Mrs Barb Saunders again orchestrated a fine Service, and our thanks to George Nilsson, Carlos Wilson, Noah-Lett Cudby and Tom Dick for all the work they did in preparation for the Service.

# Round Square

WCS is a Round Square Global School, one of three in New Zealand. Across the weekend of 9-12 September, we hosted 17 students and four staff from Ballarat Grammar School, Victoria, Australia, as part of our Round Square programme. Many have heard of

Round Square yet have not had the opportunity to be fully involved, due to COVID reasons. Now we can.

Across the weekend our Year 12 Round Square committee members organised and participated in a range of activities and workshops around Whanganui and the Rangitikei.

Leadership workshop on 'voice to action' from Mayor of Whanganui and Old Boy, Andrew Tripe. Tikanga workshop and gaining an understanding of the Whanganui River from Tere Mathews. Service opportunity in tree planting nearly 2000 native trees in the Rangitikei and a Waka Arma session with Te Whanganui River Outrigger Canoe Club.

Round Square is an international organisation which connects 200+ Schools across 50+ countries to collaborate and offer world class programmes and experiences that develop global competence, character and confidence in our students. Our world needs courageous and compassionate leaders, prepared to discover and embrace different cultures and nationalities in ways that promote meaningful and lasting understanding and respect. Today's students are the leaders of the future – our students at Whanganui Collegiate School have every opportunity to excel and flourish. This weekend was a great way for us to connect with another like-minded school – our thanks to Ballarat Grammar and we can't wait to visit you in 2024!

We also look forward to hosting other opportunities and exchange programmes over the coming years. In 2023 we will host a Round Square Conference here at Whanganui Collegiate School from 4-8 December for students 13-15 years of age.

Excitingly, Mr Selwyn Hodges, has been appointed to the position of Round Square Co-ordinator and will assist in driving Round Square within our School and also reaching out to other schools in regards to conference and exchange programmes.

We look forward to the future opportunities that Round Square will provide our students.

*Mr Wayne Brown*

**HEADMASTER**

# Pastoral Care and Wellbeing

In 2022 the wellbeing of our young people and all who live and work in our Whanganui Collegiate School community has been a priority. In Term 1 and Term 2 we faced continued disruption to normal school life through COVID and then the flu. Added to this mask wearing was a further tool employed to fight against ill health.

According to the World Health Organization, the continuing impacts of COVID - including the loss of regular activities, social connection, roles, identity and the need to constantly adapt to change - can result in strong emotional responses such as sadness, frustration, anxiety, fear, anger and boredom.

WHO named it 'COVID fatigue' and regardless of whether you've had COVID or not, I am sure there are many of us who could relate. For some of us 'mask fatigue' was also real. So, in September it was a relief to be able to have the option to remove masks in the classroom, Chapel and Big School and take some deep breaths at last. A sign of some return to normal routine.

This year our Pastoral Care teams stepped up to face COVID challenges. Our Housemasters, Heads of Year, Health and Wellbeing team, International Department and our staff were there to support our students, to help them reconnect with the full, rich and varied school life that Whanganui Collegiate School offers them. Our focus was to enable our students to shake off COVID fatigue, to regain some control in their lives, spend time with friends and whanau again, let off steam, try new experiences, learn new things and help others. 2022 was about finding our feet again and prioritising what is good in our lives. Being grateful. Checking in with each other. Being kind.

I am appreciative of the work that our **Heads of Year** have accomplished this year. With the support of Tutor teachers and Schoolbox, our Heads of Year ensured we stayed connected with our students throughout the year. Heads of Year prioritised student effort and engagement, behaviour for learning, academic achievement, our School pillars and values to enable our students to become the best they can. The Head of Year team were:

- Year 9 – Mrs Olivia Wright
- Year 10 – Mr Peter Preston
- Year 11 – Mr Gary Smith
- Year 12 – Miss Dawn Michelson

Year 13 – Mrs Sjaane Simpson

The Health and Wellbeing team further developed their role within the School this year in response to the wellbeing needs of individual students, as well as attempting to address the overarching needs presented to us in our day-to-day dealings with our students as a whole. For 2022 concerns around sleep, energy, body image, social media and inclusivity were at the forefront. As a team we were able to provide resources, guest speakers, education and effective practice to respond to the hauora needs of our student cohort. A highlight for our team in

2022 was the establishment of the WCS Pride Youth group.

**KOMODO** – With the support of the IT team and our Blueshirts, we relaunched Komodo with great enthusiasm this year. Komodo is a digital tool we utilised to survey the wellbeing of our students every week. Students used a 1-10 sliding scale to rate their House Life, Academics, Energy, Sleep Quality and Work Life Balance. These responses were analysed in order to be proactive; initiating

interventions and confidential conversations as necessary.

## Student Wellbeing Highlights

Student wellbeing was further enhanced this year with our usual Health programmes for Year 9-11. Students in Year 12 and 13 received a Hauora lesson once a week providing senior students with the tools they require as they consider possible leadership, employment, university and the transition from school to the outside world. Alongside this our special character added another dimension, further supporting the holistic approach to student wellbeing here at Whanganui Collegiate School.

Again, this year we were able to attract various outside agencies to present to our students; further enhancing their wellbeing learning. They were:

- Mates and Dates – Year 9 and 11 Safe and Healthy Relationship programme
- Attitude – Year 9 to 13 presentations
- SUPP Team – Vaping – Year 9 and 10
- I AM HOPE – Tai Tupou – Year 9 and 10
- Kate Morland – Year 9 Body Positivity, Nutrition and Finding Strength
- Constable Ben Broughton – Police Education Officer – Vehicle Licensing Laws and Rights.

As a school we celebrated and supported the following health focused promotions:

- Bullying-Free Week – Pink Shirt Day
- Relay for Life
- White Ribbon Day
- Netsafety Week

- Sleep Ezzy Week - A Year 12 Health class, schoolwide sleep campaign.

Through our School website and fortnightly newsletters we continued to share and promote the wealth of material offered through:

**Schooltv** - Topics shared this year included the new Boarding School Series providing parents with support for:

- Homesickness
- Living in Multi-Cultural Environments

Schooltv continued to publish their highly valued Special Reports providing our WCS families with shared resources, legalities and professional advice around topics such as:

- Safe Partying
- Building Belonging
- Sextortion
- Building Resilience
- Respectful Language
- Managing Overwhelm

Added to this, Schooltv were able to provide background and strategies to support our children on topics both at national and global level such as:

- Celebrating Matariki
- The Conflict in the Ukraine

**Netsafe and Linewize** support around keeping our students and families safe online this year.

Together with our resourceful IT team we were able to provide the latest information on responding to online incidents, what to look for, what to do and seeking advice. Constable Ben Broughton supported this even further through a Cyber Safety presentation for our junior students.

I am grateful for the tireless work and accomplishments of the many stakeholders involved in pastoral care here at Whanganui Collegiate School in 2022. I have appreciated the dedication of our Housemasters, Heads of Year, Wellbeing Team, Reverend Sue,

Tutor teachers, Matrons, Residential staff and the International team throughout the year. Your care and compassion for our students was obvious. In 2022 you certainly put the value of kindness into action.

*Mrs Sjaane Simpson*

HEAD OF YEAR 13

SENIOR MASTER PASTORAL CARE  
AND WELLBEING

# International Department

With the world slowly returning to something resembling normality, we opened up with 25 international students back in February. Our Student Leaders for 2022 were **Pathamon Permhol** and **Hideki Yutoku** who helped the international team throughout the year to organise fun activities including our annual BBQ at Bason Botanical Gardens.

After a two-and-a-half-year hiatus, we finally welcomed our first new international students to WCS during Term 2 of this year. Hideki and Patt organised a 'Welcome to WCS' morning tea each time we had new students join us.

As borders slowly opened during the first half of this year, we were finally able to get our students home. They are a remarkable group of young people having survived not seeing mum and dad for 30 months. There were very emotional scenes back in July as, finally, parents were able to hug their kids after a two and a half year wait.

Seven more new students joined us in Term 3 and a further three in Term 4 which meant that we ended the year with 41 international students: significantly better than many New Zealand schools. Our new starters were from Thailand, Hong Kong, Germany, Japan, and Korea.

Our Year 13 leaving students now head off to their next adventure at universities across the globe. We wish them all the very best for the future.

*Mr Alan Richardson*  
International Department

# Model United Nations (MUN)

The past few years have impacted on our ability to participate in Model United Nations events. Last year Olivia Simpson was accepted as a participant in the National MUN, only to have it cancelled a few days before the event. Fortunately, this year it did go ahead. Here is her account of her experience:

## My experience at National MUN

*This year I was incredibly fortunate to attend National Model United Nations (NZMUN) in Wellington over the July holidays. I represented the United States of America along with more than 100 other countries. We had some brilliant guest speakers such as the Honorable Phil Twyford who gave a seminar on the matter of Nuclear Weapons and how we as a country handle them. Phil will be pleased to know that he has become a niche celebrity among NZMUN Delegates, but his parting message of 'We would love to see a world without war', was particularly poignant considering the Ukraine/Russia conflict. Our committee sessions and workshops were also very interesting, ranging from international terrorism and crisis management to journalistic safety.*

*MUN was definitely a big change to debating and it was out of my comfort zone at first. However, I met some amazing people along the way and learnt so much. I made many memories at NZMUN this year and I hope to see even more WCS students giving it a go next year. My experience at NZMUN 2022 was wonderful and most of all I learnt that everyone can learn from it. A big thank you to Miss Michelson for helping me sort out applications and resolutions, and always being around to answer any questions in the leadup!*

## WCS Junior MUN 30 November

We were also able to have our annual (since 2018) WCS Junior Model United Nations event here in Big School. Over the past two years this has grown into two separate General Assemblies – one for the Year 9s and one for the Year 10s. All students were allocated a United Nations member state to represent. They worked in delegations of two or three students, based on their Houses, and prepared to participate in various ways on the day.

Every student got up to speak for their country introductions. Then different speakers came forward to debate aspects of the resolution being discussed. The resolution was about Climate Refugees – a variation on the one debated in Wellington at National MUN earlier in the year. The three main clauses included giving climate refugees official recognition as refugees; urging the development of climate-resilient, migrant-friendly cities; and asking that 0.5% of the Real GDP of each member state be set aside to deal with this issue. This covered a lot of ground in a short space of time, giving the delegates the chance to consider a range of issues and solutions.

Then, still representing the views of their country, delegates voted on the various clauses. If this were a full-day, or even a multi-day event, there would have been the opportunity for our students to make amendments to the clauses and to lobby other member states to support them. The students did an excellent job at staying in role based on their research into this issue – which led to the Year 10 Assembly rejecting two of the three

clauses, whilst the Year 9s took a more positive approach and supported every clause. In addition, the Year 9 delegations created promotional posters about their countries, while the Year 10s created their own resolutions.

I would like to thank the staff members who supported their Houses through both events on the day and nominated their best delegations for recognition. I also highly appreciated the work of Olivia Simpson and Te Amo Crow, who had volunteered earlier in the term and stayed after their NCEA exams had finished to help run this event. They worked tirelessly behind the scenes and on the stage to keep things running smoothly for the four hours, and they already have ideas about other MUN events for 2023 – so watch this space.

*Miss Dawn Michelson*

## Source to Sea Group:

Georgia Abraham, Jaden Allen, Benji Anderson, Pip Bullock, Maddie Cairncross, Toby Craig, Te Amo Crow, Michael Gray, Anneke Griffiths-du Plessis, Antonia Harding, Maggie Hare, Poppy Hobbs, Elias Kemenater, Kaichi Kumahara, Jack McCarthy, Milly Murphy, Jack Robertson, Olive Tahau, Sarah Turner, Charlotte White, Jess Yates

# Source to Sea

It was wonderful to run the Source to Sea experience after the disappointment of 2021, when floods cancelled the journey midway through the first day. A group of 22 was selected early in Term 3 and planning and training began immediately thereafter.

On Saturday 3 December the group reported to the Mangatepopo School Camp. All were excited and many were nervous. **Jack McCarthy** and **Jess Yates**, the elected leaders, filled the Source to Sea flask with water from headwaters of the

Whanganui River; water that they would carry through the journey and pour into the Tasman Sea on completion of the experience.

Shortly after midnight, we rose for an early breakfast after which the students set off on the Night Navigation exercise led by **Jaden Allen** and **Jess Yates**. On a cloudless night with temperatures close to zero

degrees, they used the map to good effect and but for a few mistakes, guided their peers along narrow pathways, forest roads and through thick bush reaching the assembly point by 6.00am.

After a second breakfast we then set off for the 85km cycle to Whakahoro. Sadly our normal route along the 42 Traverse had been closed earlier in the week due to a slip, and we therefore diverted along SH47 to National Park and then down Fishers Track. It was a cloudless day but not too hot and cycling conditions were as good as we could have hoped for. The last 30km was tough but they showed resolve and we rolled into the DOC Campsite at Whakahoro by 3.00pm.

On Monday morning the group were on the river in good time and the next two-and-a-half days were spent paddling for overnight stays at John Coull Hut and Tieke Marae. The group made a customary visit to the Bridge to Nowhere.

Only on the last rapid before reaching Pipiriki did a kayak capsize and Mrs Abraham was drenched as they paddled the final kilometre.

In Pipiriki the group was reunited with their bicycles for the cycle to the Thurlow Farm

near Atene. Conditions were again perfect for cycling and we held our first King of the Mountain races. **Toby Craig** was first to the summit of Welcome Back Hill, followed by **Jaden Allen**. **Jess Yates** won the girls' race followed by **Poppy Hobbs**. We rolled into the

Thurlow paddock at 5.30pm, tents were erected and a camp fire was made. One could sense the anticipation of completing the journey the next day.

We woke early on the final morning and five pairs of students set off for the hills to find the clues that would help them unlock their bicycles.

They were excellent and completed the activity an hour quicker than any group in the past. The bikes unlocked, we headed off for the final leg to Whanganui. The second mountain race was up Gentle Annie and while the girls' placing remained the same, **Jaden Allen** beat **Toby Craig** into 1st place. It was then an easy cycle to the mouth of the Whanganui River where we were met by a large group of parents. The flask of water was emptied into the sea to complete the journey.

The students voted **Toby Craig** as the student who showed the most leadership over the course of the two terms and was presented with the award by Mr Brown.

*Mr Rob van Dort*

# Debating

Debating continued to thrive in 2022. After an incredible 2021 it would always be difficult to live up to expectations, however the School managed to do exactly that and, perhaps, even exceeded them.

The Inter-School season opened with the main event: the Central North Island Championship. WCS registered six senior teams, the most we have been able to field and considerably more than any other school. When the dust settled at the end of the preliminary rounds our School held four of the top five positions, a remarkable display of the depth we have across the board.

In the end it was Hawera High and WCS Gold (**Elliot Jones, Olivia Simpson and John Bryant**) who would contest the final. In a complex motion on the abolishment of local government WCS ran a nuanced case, elaborating on how local government is best able to meet the needs of the people in an efficient and democratic way, as well as engaging with local iwi better than central government can. The result was a successful title defence for both Elliot and John, who won alongside Mia Perkins in 2021. Furthermore, newcomer **Olivia Simpson** was named 'Most Promising Speaker', **John Bryant** awarded 'Best Speaker' and all three were named in the regional squad to compete at Nationals. It was a superb win for WCS who managed to go back-to-back and wire-to-wire in the most important event of the year.

In other Inter-School events it was pleasing to see the return of the John Prestage Junior Competition and the MSDC Championship. As each competition found its feet post-COVID,

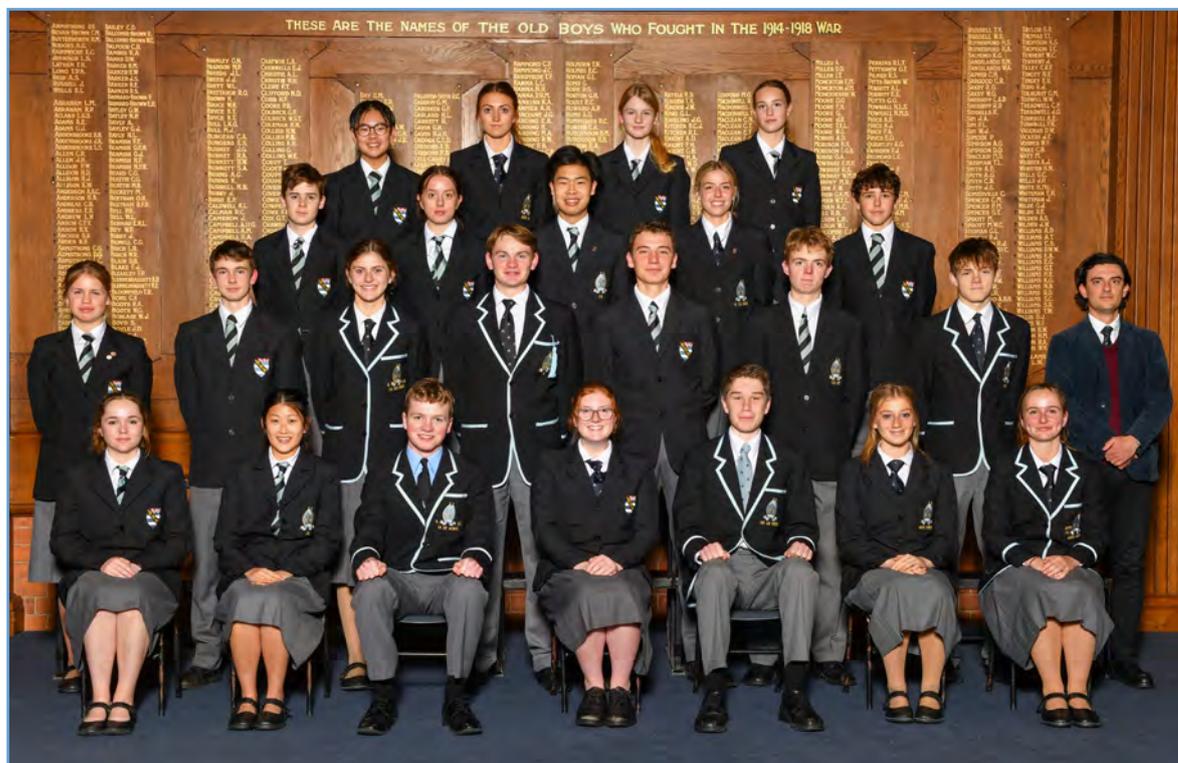

the School used both as opportunities to develop some of our up-and-coming debaters. It was also a real privilege to host the MSDC Finals at WCS for the first time. Again, it was WCS Gold who fared best, making it as far as the semi-finals in the MSDC. Special mention must be made of Year 9 student **Nathan Yue** who grew with confidence throughout the year. Nathan would eventually be awarded the WCS Challenge Cup for his contribution to Junior Debating.

Inter-House Debating continued to see the resurgence of the boys' Houses, and in particular Harvey. While they narrowly lost to Hadfield in the Junior Final, Harvey was able to take both the Intermediate and Senior titles. **Benjamin Brunton, Hector Macbeth and Elliot Jones** were awarded 'Best Speaker' in each respective final.

In closing, I would like to farewell Mr Tim McKenzie and thank him for his services to Debating. Tim has been a measured adjudicator and trusted voice throughout his time here. We wish him well! I would also like to commend our Captain of Debating and Chairman's Cup winner, **Elliot Jones**, and our Keesing Cup winner, **John Bryant**. Both have contributed immensely to the culture and legacy of debating at Whanganui Collegiate School.

# School Production

Whanganui Collegiate School

## LORD of the FLIES

By William Golding.  
Adapted for the stage by Nigel Williams.

*The 2022 Production was Lord of the Flies.*

*Based on the novel by William Golding, the play follows the story of a group of school boys who were flying to safer homes during wartime when their plane crash landed on a deserted island. Ralph, Piggy and Jack soon realised that they and the other schoolboys were the lone survivors. There were no adults alive to rescue them.*

The Maclean Memorial Salver for Best House Music Captain:  
Hideki Yutoku (Grey)

*Mr Richard Ellsworth*

# Tikanga Maori

In 2022 Tikanga Maori really shined. We had the awesome presence of Matua Tere, who helped us with the School haka, the waiatas such as 'Aio' and also the new haka that the School learned called 'Hoea Te Waka.'

At the start of the year Tikanga Maori practices were put into the motion. For 20 weeks Matua Tere helped all the Houses get ready for the Inter-House Tikanga Competition held during the Term 3 Collegiate Weekend. Along with Matua Tere, appointed House Tikanga Leaders - Sasha Milentijevic-Vague (Selwyn), Harvey Meyer (Grey), Noah Lett-Cudby (Hadfield) and Josh Brunger and Carlos Wilson (Harvey) led their respected Houses in practices and haka competitions.

Also to help the School and Matua Tere with Tikanga in 2022 Sami Harrison and Carlos Wilson were the Tikanga Maori student leaders. Throughout the year the Year 13s in every House got together to rally their House to be the best possible in preparation for the Inter-House Tikanga Competition. As a result everyone brought confidence as the Houses came together for the event. Everybody had to perform Aio the waiata, Hoea Te waka the haka that Matua Tere taught us and the School haka.

The 2022 Inter-House Tikanga results were

- 1st Selwyn
- 2nd Hadfield
- 3rd Harvey
- 4th Grey

Best Male Leader - Sasha Milentijevic-Vague  
Best Female Leader - Sami Harrison

A massive thanks goes to Matua Tere for all the behind the scenes work and the judges of Mr Aaron Chadwick and Mrs Alycia Brown who did a superb job judging.

*Carlos Wilson*

# Sports Overview

Sport continues to play a significant part in the everyday life of all our students at Whanganui Collegiate School. A compulsory sport policy of all students playing at least one summer and one winter sport and a well-structured programme has enabled the School sports teams to again perform remarkably well.

This structured approach has been very much part of our offer over the last eight years and it is fair to say that all sports have benefitted. Each major sport is headed by a Director or Head Coach whose aim it is to drive the direction of the sport, assist with upskilling coaches and ensure each student has access to the best opportunities we have to offer. This, combined with wonderful facilities and a specialist strength and conditioning coach, ensure ample opportunity for each of our students to participate and enjoy their chosen sport(s).

---

This is my 50th and final annual report on Athletics and Cross Country for the Collegian and I can't resist a look back before reviewing 2022.

I was fortunate on arrival at Whanganui Collegiate School that my enthusiasm for the sport was well supported by the Headmaster, the late Tom Wells and Senior Staff including the late Jim Wallace, Murray Davis and Peter Irvine.

Official Athletics, as it was named then, attracted just twelve athletes although it was accepted that at the Inter-Schools they would be supported by a wide range of students from other sports. My starting year coincided with the first New Zealand Secondary Schools Athletics Championships held in Christchurch in December 1973. The fact that it was to be held at Queen Elizabeth II Stadium as a trial for systems for the 1974 Commonwealth Games at the end of the following month attracted a team of some thirty athletes. I quickly recognised that there was more enthusiasm than talent in that group. I thought, with work, we might produce a solid 4 x 400 Relay Team and with a sound 800m runner David Clarke, a top Tennis player David Glasson, a 1st XI Cricketer Jonathon

Fairclough and 5th Form (Year 11) Cricketer Gil Barnitt, combined to win our only medal at the Championship (bronze). It is a special pleasure to see Mr Barnitt at the helm 50 years later. He was also my first winner of a Whanganui Schools title in April of that year with a win in the Intermediate Boys 800m.

The following year we did not win a medal at the Championships (the only year we have not won one). We did manage 4th in the 4 x 400 Relay and there was a genuine rise in standard and the start of growth in those taking athletics. The Relay successes became a vital part of that success and in the long list of achievers, listed at the back of the Athletics Programme, Relays are listed 200 times amongst medal winners at major Championships. This sits alongside a long list of title winners and New Zealand Schools Internationals. **Daniel Natusch** still holds the New Zealand Schools Senior Triple Jump Record set in 2005 and the WCS still holds the Junior Girls 4 x 100 and 4 x 400 records, having held four previous Relay records.

I also reflected as the rain poured down in Inglewood over Friday and Saturday that things were a little different the last time the event was held there and like twenty years earlier, the rain cleared during Sunday revealing the majestic Mount Taranaki. Each Championship brings back memories of not just the event, but the team dynamic often built during travel, none more so than in 2003 when, with plenty of time on our hands, we travelled to Invercargill by bus returning via Queenstown for two nights - an eight-day adventure. That 2003 Team was highly successful with many medals including four gold medals from **Daniel Natusch** and the start of the road to success for the **van Dalen twins** with **Lucy** running in an Olympics Semi-Final just nine years later.

The 2022 year was like no other year as the effects of the pandemic became more prominent in our lives. There had been no New Zealand Schools in the previous December and the North Island Schools were cancelled. The Athletics New Zealand Championships were only open to vaccinated athletes and held in age group bubbles with strict COVID protocols. The Whanganui Schools was also held in event discipline bubbles but was the first Meet to allow unvaccinated athletes to compete. The popular Porritt Classic in Hamilton with its attractive school support events was cancelled, leaving few competitive opportunities for individuals and none for relay teams.

The Inter-House competition was run without parents attending on the Golf Course, utilising the St George's 200m track and surrounding area for the teams' races. This alternative innovative Meet, a mix of Indoor Athletics, Highland Gathering and traditional events was blessed with glorious weather and a vibrant and exciting afternoon. Grey retained the Inter-House Shield.

A small group of fully vaccinated athletes attended the Athletics New Zealand Championships in Hastings.

**Louise Brabyn** 1st U18 2000m Steeplechase 7:11.55  
3rd U18 3000m 10:08.32

**Jacky Dai** 3rd U20 Triple Jump 12.70m

**Bella Willis** 8th U20 400m 58.91 (58.22s)  
Member of Silver medal 4 x 400 MWA team

**James Hercus** 6th U18 800m  
(Won B Final, 6th overall 1:59.97 (PB),  
9th 1500m 4:03.56 (PB)

**Toby Caro** 11th U18 3000m 8:53.14 (PB)

**Teniva Guinea** 14th U18 300 H 53.86s

**Pascale Bowie** 11th U18 300m H 49.90s PB

**Morgan Wilson** 11th U18 100m 13.62s

The Whanganui Secondary Schools were held over four sessions without relays and utilised two consecutive Tuesday evenings to keep within COVID protocols, there were no Relays.

Podium places were largely shared with Whanganui High School who were particularly strong in sprints. We just shaded our neighbours in titles but they were ahead of us in total places. It is important that we have strong neighbours for the development of our sport. Some of the usual combinations were not possible because of the COVID protocols. **Juliet McKinlay** shone in the Junior Girls with six titles and **Parlay Clarke** in the Junior Boys with three. Captain **Jacky Dai** took three senior titles including a surprise win in the 200m. The distance runners **Louise Brabyn**, **Toby Caro**, **Amy McHardy**, **James Hercus**, **Daniel Sinclair** shared middle distance titles including some outstanding performances. Sadly, with no North Island Schools, this became the last major event of the truncated season. **Daniel Sinclair** and **Louise Brabyn** however excelled in a special School race at the end of the final Club Night, where they both set personal bests for 1500m (3:58.71 and 4:37.49 respectively) with five others setting bests in the strong field.

## CROSS COUNTRY

The winter term saw the return of some events which had been cancelled in 2021. We returned to the Wellington Karori Relays, the Inter-House Relay returned and in September the Round the Lake Relay and the Inter-House Indoor Athletics was held after a two-year gap.

The Karori Relays, as in the past, clashed with some traditional Inter-School fixtures. We were able to field a girls' team as the Girl's Hockey match with Scots College finished in time for **Louise Brabyn**, **Amy McHardy** and **Greta Darke** time to dash across the city from Mt Albert Park to Karori Park just in time for the race, and with a team of two juniors and two seniors, did well to finish third. The strong boys' team of **Daniel Sinclair**, **Toby Caro**, **Elliot Jones**, **Lucas Martin**, **Matthew Sinclair** and **James Hercus** produced the first ever win in the Senior Boys with a great early season team effort.

The Whanganui Secondary Schools were run as Relays on a very wet Tawhero Golf course circuit with prominent WCS performances. The individual championships were held at Victoria Park, a course that had some similarities to Saxon Field, Nelson where the New Zealand Schools were to be held. Fields were small but our athletes had a serious workout.

Winners and leading Whanganui Collegiate places:

#### Senior Girls

Louise Brabyn 1st, Amy McHardy 2nd, Rosa Meyer 3rd

#### Junior Girls

Greta Darke 1st, Mady Petley 2nd, Olivia Gilbertson 3rd

#### Year 9 Girls

Hannah Byam 1st, Micha Petley 4th, Zoe Broadhead 5th

#### Senior Boys

Daniel Sinclair 1st, Toby Caro 2nd, James Hercus 3rd

#### Junior Boys

Matthew Sinclair 1st, Thomas Fitzgerald 3rd, Nate Burke 6th

#### Year 9 Boys

Ben Kutatau 1st, George Blundell 5th

## Inter-House Cross Country

Grey House won the relays and then went on to win both the Standards and the Team competition after strong competition from Harvey House. Bishops House won the Girls' Inter-House event.

The two-lap race for all grades (1500m lap, 3000m race) all on the Golf Course again proved to be successful, and with the same distance for all ages and data from the races last year allows comparisons to be made.

#### Senior Boys

1st Daniel Sinclair (9:03)

2nd Elliot Jones (9:31)

3rd Lucas Martin (9:53)

#### Intermediate Boys

1st Toby Caro (9:32)

2nd Thomas Fitzgerald (10:37)

3rd Nate Burke (10:43)

#### Junior Boys

1st Matthew Sinclair (10:27)

2nd Mathias Pa'a (11:18)

3rd Jack Amon (11:26)

#### Senior Girls

1st Amy McHardy (12:09:34)

2nd Pascale Bowie

3rd Annabel Symes (12:48)

#### Intermediate Girls

1st Harriet Douglas (12:05)

2nd Rosa Meyer (12:15)

3rd Bella Willis (12:37)

#### Junior Girls

1st Greta Darke (11:16)

2nd Hannah Byam (11:17)

3rd Zoe Broadhead (11:58)

## NZSS Cross Country

### Nelson 18-19 June

Our teams performed with distinction at Saxon Field. Three Whanganui Collegiate athletes (**Amy McHardy, Louise Brabyn and Daniel Sinclair**) were named in the Championship Team (16 in total) and were also named in the Team of 24 to travel to Adelaide for the Australian Cross Country Championships.

The Senior Girls' Teams finished second in both the three and six to score Team events. The Senior Boys were second in the six to score and finished fourth in the three to score just four points shy of bronze. The Junior Girls finished a highly creditable fourth in the three to score teams and took bronze in the six to score.

#### Junior Girls

Greta Darke 15, Hannah Byam 27, Zoe Broadhead 54, Mady Petley 58, Ottalie Morrah 66, Olivia Gilbertson 83

#### Senior Girls

Amy McHardy 3, Louise Brabyn 6, Harriet Douglas 36, Rosa Meyer 47, Pascale Bowie 68, Lucy Monckton 82

#### Junior Boys

Thomas Fitzgerald 42, Nate Burke 44, Matthew Sinclair 68, Joseph Mack 99

#### Senior Boys

Daniel Sinclair 4, Toby Caro 19, James Hercus 29, Elliot Jones 64, Oliver Jones 66, Jonah Seeds 74

The annual dinner was held on the Saturday before the Regional Relays on the Sunday. The Captains **Lucy Monckton and Elliot Jones** spoke well with the latter providing a memorable speech illustrating his debating talent.

At the Sunday Relays **Hannah Byam** (Year 9), **Greta Darke** (Year 10), **Harriet Douglas** (Year 11) and **Louise Brabyn and Amy McHardy** (Year 12) combined to win bronze in the Senior Regional events against 11 Regionally selected teams.

## Round the Lake Relay

### 5 September

Despite incessant rain it was wonderful to be back at the Lake and by the many positive comments from athletes and coaches from the more than 100 teams, many others were pleased to be back also at the 42nd running of this iconic event.

Our Senior Girls won (**Amy McHardy, Louise Brabyn, Pascale Bowie and Rosa Meyer**) and our Senior Boys were second (**Toby Caro, Daniel Sinclair, James Hercus Oliver Jones**).

## Inter-House Indoor Athletics

### (The Collerton Trophy)

Inter-House Indoor Athletics also returned after a two-year gap. Harvey won the Trophy after a thrilling night of action at the Jubilee Stadium.

## Term 4

The final term leading up to the New Zealand Schools Track and Field and Road Race provides challenges and this year was no exception. As there had been no New Zealand Schools Championships since 2021, it meant that the final team had a large group of students who have never been to a Schools Championships and were therefore not only inexperienced at this kind of competition, but also in terms of training expectations.

The team was also weakened by injury prior to the Championships, **Bella Willis** and **Daniel Sinclair** during the event and the non-availability of **Samuel Hermann**, **Israel Calkin** and **Teniva Guinea** (overseas travel) and Captain **Josephine Perkins** (Spirit of Adventure).

Prize Giving again clashed with the first of three Regional Meetings and left some athletes short of build up competition. However, the many personal bests at both Club Nights and the Regional Meets at both Palmerston North and Masterton demonstrated steady progress, but leaving the question of whether this was enough unanswered until the event itself.

The team of 2022 provided some wonderful results and confirmed to many that my belief in them was well founded. Lack of self-belief, particularly amongst the less experienced is a real barrier for many.

The team of 28 produced 16 personal bests from 13 different athletes and two selected for the Championship Team (**Lucas Martin** and **Louise Brabyn**), garnered three individual medals (one gold **Louise Brabyn** 2000m Steeplechase, two silvers **Juliet McKinlay** and **Lucas Martin**, one School and Centre Record (**Lucas Martin** 2000m Walk, which also was the third fastest in the 49-year history of the event). They also won three team medals, silver in the 3 to score Road Race and bronzes in the Junior Boys 4 x 400 and Mixed 4 x 400 metres. The team had five fourth places, one fifth, two sixths and three seventh places - very pleasing from an inexperienced team. **Lucas Martin** retained his Athletics New Zealand U20 10km Road Walk Championship.

#### Gold

**Louise Brabyn** 2000m Senior Girls Steeples 6:56.71 PB

#### Silver

**Juliet McKinlay** Junior Girls Triple Jump 10.38m

**Lucas Martin** Senior Boys 3000m Walk 12:37.20 PB  
WCS Record

Senior Girls 3 to score Road Race Team  
(**Harriet Douglas**, **Pascale Bowie**, **Maia Lupton**)

#### Bronze

Mixed 4 x 400 Relay 3:53.22

(**Jonty Tripe**, **Louise Brabyn**, **Pascale Bowie**, **James Hercus**)

4 x 400 Junior Boys 3:43.62

(**Oliver Toohey**, **Nate Burke**, **Max Herdman**, **Thomas Fitzgerald**)

#### 4th

**Hannah Byam** Junior Girls Steeplechase

**Louise Brabyn** Senior Girls Steeplechase

4 x 100 Junior Girls

(**Juliet McKinlay**, **Greta Darke**, **Sophie Trott**, **Kate Macpherson**)

Junior Boys 4 x 100

(**Maurice Mow**, **Filipe Bayly**, **Max Herdman**, **Parlay Clarke**)

Junior Girls 4 x 400

(**Olivia Gilbertson**, **Greta Darke**, **Juliet McKinlay**, **Maia Lupton**)

#### 5th

**Greta Darke** Junior Girls Steeplechase

#### 6th

**Jacky Dai** Senior Boys Triple Jump

**Oliver Toohey** Junior Boys Javelin

#### 7th

**Jonty Tripe** Senior Boys Triple Jump

**Toby Caro** Senior Boys Road Race

**James Hercus** Senior Boys 800m

I will conclude by thanking our Captains. **Lucas Martin** gave much to the sport on and off the Track. He was hugely vocal in his support of all our athletes and our athletes benefited from this support. **Jacky Dai** was a magnificent Track and Field Captain throughout the year and his team booklet for Inglewood was a masterpiece. **Josephine Perkins**, who was unable to go the Championships, continued to train and compete and produced a magnificent video featuring training and competition in Term 4. In the winter **Lucy Monckton** battled her own health and injury and dug deep when a teammate dropped out in Nelson finishing to secure a team silver. **Elliot Jones** led one of our strongest ever boys' teams throughout the season

I wish Mr **Gil Barnitt** well as he continues to lead the sport with exciting development plans. It has been great to welcome **Taegan O'Hara** back; the School is fortunate in securing a gifted young coach. I have shared many exciting Championships, journeys, and athletic adventures with **Mr Richard Drabczynski** and hope his retirement at the end of Term 1 is not a retirement from the sport.

*Alec McNab* - December 2022

HEAD COACH

## BADMINTON

This year 32 players selected Badminton as their winter sport. Every Saturday our students received either skills training with Mr Gilles Moeckli or fitness circuits with Mr Gilman Barnitt. During the week there were several opportunities for students to apply their skills playing matches against each other.

Congratulations to our 2022 Badminton Captains **Rachel Yang** and **Srun (Mike) Viriyautsahakul** for their leadership. They made sure our players were kept up to date with training sessions, stadium bookings and administration tasks. Thank you both for your organisation and support.

Six students participated in the Whanganui Secondary Schools League in Term 3. They were **Mike Viriyautsahakul**, **David Su**, **Jeffery Liang**, **Hideki Yutoku**, **Kai Steele** and **Gabriel Fung**.

We commend **Rino Okochi** who was selected to represent Whanganui in the U17 Whanganui Badminton Tournament. Additionally, **Mike Viriyautsahakul** who assisted with officiating at the Whanganui U17 Tournament and the Central Region Tournament.

**Gilles Moeckli** - Coach

**Mrs Sjaane Simpson** - Teacher In Charge

**Mr Gilman Barnitt** - Fitness Trainer

**Rachel Yang**, **Mike Viriyautsahakul** - Badminton Captains

Congratulations to **Harvey** House who won the Inter-House Badminton fixture held in Term 3.

Well done to the following place getters:

Open Girls Singles - **Rino Okochi**

Junior Boys Singles - **Chris Liang**

Senior Boys singles - **Mike Viriyautsahakul**

Open Girls Doubles - **Tessa Norman, Emma McKelvie** (Hadfield)

Junior Boys Doubles - **Kaya and Keanu Marshall** (Hadfield)

Senior Boys Doubles - **Hideki Yutoku, Jeffrey Liang**.

I wish to thank all our Badminton staff for their ongoing support this season. Thank you also to the students for a wonderful badminton season. You gave one hundred percent to fitness, coaching and matches this year and consequently you have improved. All the best to those students leaving WCS and we do hope you will continue to play this great game in the future.

*Mrs Sjaane Simpson*

**TEACHER IN CHARGE**

## BASKETBALL

Once again Basketball as a second sport option for many proved popular. Several social teams played each Friday evening at the Springvale Sports Centre. Our Senior A Boys team, coached by Headmaster Mr Wayne Brown, had a most successful season, and showed big improvement in the local Senior Secondary Schools Competition. This team travelled to Palmerston North for Tournament Week and with some fine basketball and good wins put themselves in contention for a top-5 finish. A narrow loss to Hato Paora College in a crucial fixture saw them finish in 8th place, a vast improvement from recent years.

## CRICKET

### 1st XI

It was incredibly frustrating to lose our early traditional fixtures due to the weather. It was glorious sunshine during the week and then torrential rain on the weekend. The first two games were both cancelled without a ball being bowled against Rathkeale and St Peter's Cambridge.

This stopped us getting any early season momentum under way and then COVID hit again.....where we lost our traditional to Christ's College due to them not being able to travel to the North Island.

Looking back we have to be grateful that we were able to play some fixtures and get some cricket in during Term 1.

**Hutt International Boys' School** (HIBS) were an incredibly strong side but they did not show any indication of trying to force a win and batted us out of the game and set a pretty unrealistic target in the 4th innings. Special mention to **Blake Hoskin** who really stepped up in this game and announced

himself as a really promising 1st XI opening bowler. Despite a tough run chase the boys decided to have a go at chasing it down. We ultimately fell short and lost the fixture, however, we were proud of the decision of the boys to have a go at winning the game. They certainly learnt a lot more by chasing the game rather than batting out for a draw.

**HIBS 181/10 and 69/3 dec**

**WCS 88/10 and 89/10 | Blake Hoskin 3/17**

**New Plymouth Boys' High School** - away

The team were disappointed in our first innings batting effort which put us on the back foot right from the start - we ended up having to play catch up for the rest of the game. But up stepped **Daniel Burgess**. His innings was brilliantly constructed and one of the better ones seen for WCS in recent years. This put us in an interesting position and enabled us a small window to maybe snatch a victory. The next 20 overs were pretty thrilling and tense. All the bowlers chipped in with vital wickets and we fell just short of getting the win still requiring 3 wickets as the stumps were drawn. The moral of that story boys is bat better in the first innings and score big here.

**WCS 88/10 and 219/10 | Daniel Burgess 105,**

**NPBHS 192/10 and 98/7 | George Pearce 3/32, Josh Allpress 3/17**

**Wellington College** - away

We put in a solid batting performance led by a half-century by **Daniel Burgess** again. However, we came up against a very talented opposition who batted superbly. After their declaration we showed great character in our second innings with a number of good partnerships. **Oscar Mabin** scored back to back 50s in this game.

After being bowled out they were set 110 off 9 overs. We were pretty nervous with their strong batting line up and our bowlers were put under significant pressure. They ended up just short and their NZ player scored 77 off 23 balls. However, it was good for our bowlers and Josh as Captain to be put under pressure. In the end we ended up learning so much from this game and again showed tremendous character to fight for a draw.

**WCS 221/10 and 226/10 | Daniel Burgess 63, Oscar Mabin 47 and 86, Harvey Meyer 46**

**Wellington College 332/3 and 96/5 | Oscar Mabin 3/39**

**St Peter's Cambridge** - home

The rearranged St Peter's fixture at the end of the season was again badly affected by the rain on the second day when the game was evenly poised. In a remarkable bowling performance **Josh Allpress** and **George Pearce** both hit 5 fours in the first innings and this was a pretty special occasion on one of their last games for WCS. This game was pretty special as we had the Pearce and McVerry brothers playing for the 1st XI in **George and Angus** and **Oscar and Harry**.

**WCS 138/10 and 14/1 | Carter Hobbs 42,**

**St Peter's 162/10 | Josh Allpress 5/56 and George Pearce 5/40**

In Term 4 we hosted **Francis Douglas Memorial College (FDMC)** 1st XI. The highlight of our first innings was **Tim O'Leary** scoring an aggressive 89. This put us in a strong position and then a good bowling performance from all the bowlers meant we had a lead of 40 going into the second innings. We batted well in the 2nd innings and it enabled us to be aggressive with our declaration and we set them 196 off 41 overs. It was a thrilling run chase and with the last 2 overs of play all three results were possible. Unfortunately for us we didn't manage to get the last two wickets and lost a nail biting game.

**WCS 186/10 and 156/7 | Tim O'Leary 89**

**FDMC 149/10 and 196/8 | Oscar Mabin 3/27 and 3/28, George Pearce 3/34**

## NZ Gillette Cup

The boys were confident going into the Gillette Cup fixture against a strong Palmerston North Boys' High School (PNBHS) 1st XI but a lack of 50 over games was not ideal preparation and we were dismissed far too cheaply. They need to be congratulated for taking some fantastic catches which backed up their solid bowling performance and we were never in the game. This was very disappointing as it was not a reflection of what the team was capable of achieving.

**WCS 61/10 | PNBHS 1st XI 62/1**

We were also invited to the T20 Competition in Wellington with all their P1 teams. This was a great experience for the boys as we don't play T20 and also the standard of all the teams we played against was at a high level. We were caught a bit cold on the first game against Onslow on a tricky pitch and suffered an early defeat. I'm convinced if we'd won the toss we would have won the game. This was a pattern that the whole tournament seemed to follow. Probably 90% of the teams that won the toss then won the game. This tournament was a fantastic experience and we had good wins against a strong Wellington College and Scots College.

Unfortunately we suffered a loss in a tight game against Tawa and this meant we missed out on the top two spots on Net Run Rate. Despite 70% of the team picking up COVID on the last day of the Tournament, this was as a great experience for the boys and one we will continue to attend next year.

## T20 Wellington Tournament

**WCS 113/9 | Wellington College 111/7  
Oscar Mabin 3/19**

**WCS 59/10 | Tawa 82/9  
Oscar Mabin 3/18**

**WCS 149/8 | Scots College 110/10  
Oscar Mabin 46, Josh Allpress 3/19**

**WCS 101/8 | Onslow College 108/7  
Oscar Mabin 3/9**

## 2nd XI

The team enjoyed success in Term 1 with a group of able cricketers, many of whom are likely to work their way into the 1st XI soon. We also had a very successful outing against Palmerston North Boys' High School, winning by 6 wickets. **Micky Peacock** scored a fine 50 in the run-chase.

Other highlights included **Benji Anderson 78 against Marist, Luke Bullock 58, George Ormsby 57 and Micky Peacock 51** all against Kaitoke.

The team never lost a game in Term 1 and a feature of their play was the running between the wickets. Done well, this added at least 30 runs to our total in 40 over matches.

They were an entertaining team and a very pleasant group to spend our time with.

## Palmerston North Boys' High School 3rd XI

PNBHS 3rd XI won the toss and elected to bat. We bowled as well as I have seen, with **Luke Bullock, Peter Reynolds** and **Saul Abernethy** applying good pressure through line and length. We dismissed PNBHS in the 36th over for 142, with **Luke Bullock** and **Saul Abernethy** each picking up 3 wickets and **Saul Reynolds** conceding only 12 runs in his 8 overs. We lost our opening pair with less than 20 runs on the board, but a fine undefeated 50 from Micky Peacock and 23 from Tim O'Leary saw us reach the target in the 35th over for the loss of just 4 wickets, winning by 6 wickets.

## Marist Cricket Club

We won the toss and elected to bat. We started slowly, not building partnerships until **Benji Anderson** came to the crease. He worked his way to 50, then accelerated his scoring to finish with 78 off 84 balls. **Angus Pearce** compiled a useful 40 and **Harry McVerry** added an undefeated 21 at the end to see us reach 217/5 in our 40 overs. A feature of the innings was the running between wickets. The outfield was large and slow and we ran numerous 2s and 3s.

Marist took to the target aggressively and by drinks, they were well on track. **Angus Pearce** picked up some key wickets which changed the game. He finished with figures of 3 for 38 and **Logan Brown** wrapped up the tail, taking 3 for 40. Marist was dismissed in the 35th over for 208. **WCS won by 9 runs.**

## Kaitoke Cricket Club

We won the toss and elected to bat. A new opening combination of **Harry McVerry** and **Luke Bullock** got us off to a good start before Harry was run out for 26. Luke continued well and built a partnership with **Micky Peacock** until he was stumped on 58. Micky and **George Ormsby** piled on runs after the drinks break, Micky scoring 51 and George 57. **Saul Abernethy** hit an aggressive undefeated 26 in the last overs to take us to 242 for the loss of 4 in our 40 overs.

Kaitoke started well but once we got into their middle order, wickets fell regularly, and they were dismissed for 145, with **Harry McVerry** taking 4 for 18 and **Theo Tripe** enjoying legspin success with 2 for 37. **WCS won by 97 runs.**

## Colts Cricket

This year, it was fantastic to have junior cricket numbers increase from 2021. We had more than enough players week in week out which isn't a bad problem to have. The Colts Blue had a strong mix of abilities, with some players knocking on the door of the Colts Black team and others playing their first season of cricket.

The core focus of the season was around developing the boys' basic skills and confidence through all aspects of their game, while having fun along the way. Training was kept light, with various fun games mixed with net sessions and other skill-based drills. It was great to see how much they improved from our first training session to our last game in Term 1.

Term 4 cricket has got off to a great start, winning our first two games with ease. The players in the team have been working hard at training and it is showing on Saturdays. We hope to continue with this momentum until we break up for summer break.

## Girls 1st XI

The season was a successful one overall for Girls' Cricket at Whanganui Collegiate School. With playing numbers around twenty, there was depth developing which wasn't there before and the girls have been the main benefactors of this depth. Trainings have been more competitive and the large numbers have allowed for matches within the squad where we have struggled for fixtures.

A comprehensive win over Whanganui Girls' College followed by a narrow victory over Whanganui High School meant the girls were crowned Whanganui Venus Cup qualifiers and moved through to the next round. In these fixtures there were contributions from all the girls but in particular, **Kate Duncan**, **Maggie Pearce** and **Casey Duffy**. These girls contributed with both bat and ball and dealt well with the pressure of the tight Whanganui High School match.

A bus trip to Taranaki followed, to play the very strong New Plymouth Girls' High School 1st XI. Sent in to bat, the girls batted well against a bowling attack full of senior representative cricketers. The opposition were frustrated by the resilience of the WCS batters, in particular **Kate Duncan**, who once again batted the majority of the innings. Ultimately the total wasn't enough to defend, but a few quick wickets certainly kept our opposition on their toes.

## RESULTS

Whanganui Girls College – Win

WGC 27/10

(Kate Duncan 4/3, Maggie Pearce 2/5, Casey Duffy 2/3)

WCS 28/4

NPGHS – Loss WCS 44/8 NPGHS 45/4

PNHGS (Venus Cup) – postponed

Nga Tawa & St Matthew's – cancelled

*Mr Tom Dryden*

COACH

## CYCLING

The 2022 Cycling season got off to a good start. Students were fortunate to be able to attend the local Cycling Club races each week. These gave students valuable race experience and an opportunity to really push themselves against other cyclists. Due to the team's small numbers, the only away event targeted this year was the New Zealand Schools Road Cycling Nationals which took place at the end of Term 3. Those who chose to attend had two days of solid racing which provided a valuable learning experience.

## RESULTS

### Whanganui Cycling Schools Road Race Champs

1st	Takuma Iwasaki	U17B
2nd	Hector Macbeth	U17B

COACH

## FOOTBALL

### Girls 1st XI

The Girls 1st XI Football team had a very positive season, coming 3rd in the Manawatu Secondary Schools League and obtaining 10th place at the Winter Sports Tournament. Highlights included wins over Whanganui High School, St Matthew's College, Wairarapa College, Palmerston North Girls' High and Feilding High School. During the Regular Season and at Tournament, the Girls' 1st XI played 18 fixtures, winning 11, drawing 2 and losing 5, an impressive record considering the youthful nature of the team. Captains **Josephine Perkins** and **Summer O'Shea** were superb leaders and although they will be massive losses next year, our impressive depth and the continued development of the team will put us in good stead for 2023.

### Tournament Week Results – Grant Jarvis –10th

Iona College lost 3-4

Katikati College lost 0-3

Wairarapa College won 2-1

Horowhenua College won 1-0

Sacred Heart Wellington won 3-0

Havelock North HS won 2-0

Gisborne Girls' HS won 4-

Karamu College drew 0-0

*Mr Tim McKenzie*

COACH

### Girls 2nd XI

Despite playing in a league that was challenging, the perseverance shown by each team member, fighting to the end of every match regardless of the result was outstanding.

During the course of this season, the team worked on drills to get the team more synergised, confident and aggressive to match their competition in the League. The girls always showed endurance and come rain or shine, would show up, laugh, have fun and work hard in practice. It was summed up well by the Whanganui High School coach congratulating our team on the improvement they had made through the season.

*Ruby Lewis*

COACH

### Boys 1st XI

Overall, the season was a success with a final tournament performance that demonstrated the quality and depth of the team. For the year, 30 different players turned out for the side in five different competitions. These were Local League, Inter-Schools, National Qualifiers, Old Boys game and the Trident Tournament. Some performances during the season were exceptional with many opposition coaches and local football figures highlighting how good the team was, acknowledging how well they represented Whanganui Football.

The early part of the season was defined by COVID. A loss of a large number of players at the beginning of the season made the

start difficult, but the wider squad performed incredibly well with a massive 6-1 win over River City Chiefs in the opening game of Local League.

The team finished 4th out of ten teams in the Local League. A record of 11 wins and 7 losses for a points tally of 33 points with 45 goals scored and 33 conceded. Most appearances in the season were from **Toby Craig** and **Oliver Hutchins** both playing 15 times. Leading scorer for Local League was **Elias Kementer** with 11 goals from 13 appearances.

National qualifying was difficult but developed the team to a much greater level. Despite suffering heavy defeats against two of the top New Zealand schools, the performances on the day demonstrated an ability to compete at that level. The team bounced back in the next games, played with positive performances and earned results, learning from the experience rather than dropping their heads.

For the Old Boys game, the boys played a superb game winning 7-3. Total dominance for the first time in a number of years.

Although there was only one win in the Inter-School games, good performances and the opportunity to develop the side for the Trident Tournament was a positive. Scores did not reflect the games and COVID and absenteeism impacted the outcome.

NPBHS lost 0-8

FDMC lost 2-4

St Matthews won 1-0

Rathkeale College lost 1-4

Lindisfarne College lost 0-2

Scots College lost 0-9

WHS lost 0-4

The season concluded with the Trident Tournament where the boys were outstanding. In the group, three wins, a draw and one loss resulted in a 3rd place finish on goals scored. This meant the team were unable to progress to the top half of the draw.

Performances in the games were outstanding, particularly against the sides that placed higher in the final standings. Incredibly fine margins were the difference between progressing and not. In the following games for final placings the boys won two and lost one with performances that were admired by all in attendance. The final record for the Tournament was 8 played, 5 wins, 1 draw and 2 losses. 12 goals scored, 5 conceded. Player of the Trident Tournament was **Archie Hare**.

### Tournament Week Results - Trident Tournament

Hawera HS won 2-0

Hastings Boys' HS lost 1-2

Heretaunga College won 2-0

Kuranui College won 3-1

Whanganui HS lost 0-2

Horowhenua College won 3-0

Aquinas College won 3-0

Mt Maunganui College drew 0-0

*Mr Tim Hayes*

COACH

## Colts XI

It has been my pleasure to coach the Colts 1st XI again this year. They stepped up into the Year 11-13 grade this year to aid development and it has been a huge success. Our victories against the 2nd XI and Rangitikei College were highlights as we learned to handle the more physical style of play, as well as continuing to move the ball and find space.

At times it has been a frustrating season with games cancelled due to COVID and bad weather. We have had to fill gaps with other players and play with the bare minimum, but the culture of respect and hard work has been evident throughout the season. There was a strong group of Year 10 players, joined by some good Year 9s. We look forward to another group of good WCS footballers coming through next year.

I have been proud of the way the boys have battled during exchanges this year and watched on with pride as three of our team made the jump to 1st XI Football. **Stanley Franks, Levi Toy** and **Theo Martelletti** have been a credit to the Colts XI and I hope that this has given other junior footballers an example to follow as they strive to represent our 1st XI one day.

Coaching these boys has been a privilege and they have been a credit to the School with their attitude to trainings and games.

## Inter-School Results

FDMC lost 0-10

Rathkeale College lost 1-7

Lindisfarne lost 0-2

Scots College - lost 1-3

WHS lost 0-5

*Mr Selwyn Hodges*

COACH

## Colts Black

Unfortunately, Colts Black season was badly affected by COVID in early Term 2 as well as the flu at the end of the term. At some practice sessions only two or three players were able to attend practice. There was a need to think on our feet a lot as we are grateful to Mr Matt Calvert for running combined sessions with the Colts and 2nd XI. It was incredibly frustrating not being able to get quality practice sessions as a team though. Also quite a few games were cancelled due to the weather.

A focus of the team was not on results, but rather on development and enjoyment. I was incredibly proud of the boys, of how they fought in every game and it is credit to them that all our games were incredibly close.

*Mr Andrew Brunt*

COACH

## Boys 2nd XI

The Boys 2nd XI was a group who wanted to play, have fun and were willing to play for each other to achieve a common goal. It was unfortunate that the possibility of being the competition winners was hobbled by events well beyond their control - COVID, rain, sicknesses, scheduling and the formidable WCS Colts.

Played 7

Won 5

Drew 1 (WCS Colts)

Lost 1 (WCS Colts)

*Joe Wilson*

COACH

## Golf

Golf at WCS set about a return to 'normality' in 2022. While WCS were unable to compete in the Inter-Collegiate Championship, the season ending Golf Championship was highly contested and gave some new players a chance to shine. The strokeplay competition was closely fought with **George Nilsson, Hunter Gibson** and **Hector Macbeth** all progressing to the final holes with only a few shots between them. Ultimately, it would be a remarkable par save that would secure the S Austin Carr Gross Challenge Cup for **George Nilsson**, while another solid par would give **Hunter Gibson** the Frances Moore Handicap Challenge Cup ahead of a charging **Hector Macbeth**. While some of our strong Year 13 players leave the ranks this year, there are promising new players ready to step up. We once again thank Mr Rodney Donaldson and the Castlecliff Golf Club for their enduring support.

*Costas Thrasyvoulou / Aaron Chadwick*

COACHES

## HOCKEY

### Boys 1st XI

If our season was judged on results, then it would be fair to say it was indifferent. We had extremes. The first game was against a well-organised and disciplined New Plymouth Boys' High School, and we lost 8-0. The following week we played Scots College and won 12-0. We did compete very well in our Inter-School fixtures and were competitive. We demonstrated our skills with some big wins against Francis Douglas Memorial College 9-3 and Whanganui High School 9-3.

After the first round of the Manawatu Intercity Competition we were in second place. Unfortunately, we missed some opportunities in the second round and finished in 6th place.

The CNI Tournament was completed with 2 wins and 2 losses. Again, we played some great hockey beating Rongotai College 4-2 after being two goals down, losing to Feilding 1-0 in the final minutes of the game. We came 3rd in this Tournament.

In the Rankin Tournament we opted to stay in the top tier of hockey for another year. We lost all three pool games. We had to win our crossover game against Rosmini. The WCS team played with grit and determination and won 2-1 finishing 24th out of 32 teams.

### Tournament Week - Rankin Cup Results

Christchurch Boys' High School lost 0-5

Kings College lost 0-6

St Paul's Collegiate lost 1-7

Rosmini College won 2-1

Wairarapa College lost 1-2

Otago Boys' HS lost 1-3

Rathkeale College lost 0-3

8th India Shield

### Representation

Blake Hoskin - NZ U18 squad.

Blake Hoskin and Carter Hobbs - Manawatu U18 team

Ephraim Yearbury and Matthias Pa'a - Whanganui U15 team.

*Mr Andrew Spence*

### COACH

### Girls 1st XI

The team was committed and hard working. These were traits which former coach Mrs Anna Symes had instilled in the team over the years. Her passing in the summer gave the girls the motivation to play for her this year. The season would be best described as a rollercoaster with mixed results. There were multiple disruptions, with only one game in the regular season where we had our full team of 16 players, but the girls persevered and progressed steadily. A highlight would be coming back from 1-2 down with five minutes remaining in the Inter-School fixture against New Plymouth Girls' High School to win 3-2.

Gretel Murphy captained the team admirably, leading the girls through trainings and games with her determined and valiant spirit. Our two Year 13s leave the team after four years commitment, with Emily McKinlay gaining 96 caps and Gretel Murphy 92 caps. Thanks to Mr Rob van Dort for managing the team, Ella Meehan and Mr Ian Murphy as Assistant Coaches, Mr Gil Barnitt for the S&C sessions and to the parents/supporters on the sidelines each week.

### Inter-School Results

Scots College (A)	Won 12-0
New Plymouth Girls' High School (A)	Won 3-2
St Matthew's Collegiate (H)	Drew 3-3
Woodford House (H)	Won 4-2
Whanganui High School (H)	Won 3-1
Manawatu Secondary Schools Girls Intercity	5th Place

The Manawatu Intercity competition was comprised of five Federation Cup teams which made for highly competitive games each week. We had mixed results throughout, sitting in a good position after the first round, but things didn't go our way during the second round. It meant we played Palmerston North Girls' High School 2nd XI for 5th/6th place at home and managed to come away with the win.

### Federation Cup/Marie Fry Trophy - Hawke's Bay

The team was finally able to attend Federation Cup after being promoted in 2019. Being amongst the top 32 secondary school teams in the country as the smallest co-ed school was impressive in itself. The girls went from strength to strength and continued to give it everything despite some difficult games.

### Pool Play

Rangi Ruru - Lost 0-5. We had an impressive start, but they slowly unpicked us. We defended 15 penalty corners, of which they only scored 2.

Palmerston North Girls' High School - Drew 0-0. We had most of the territory and possession, but struggled to convert our chances, so somewhat frustrating not to come away with the win.

St Matthew's Collegiate - Lost 1-4. Flew out of the blocks, scoring a goal in the 4th minute and had them pinned in their half for the bulk of the first quarter. St Matthew's finally scored just before half-time from which they dictated the second half. This meant we finished 3rd in our pool.

### Marie Fry Trophy

Columba College - Lost 1-2. Our first crossover match was a great tussle with the school from Dunedin. The score was locked at 1-1 at half time, but unfortunately they scored with two minutes remaining.

Tauranga Girls - Won 2-1. We were the better team throughout this game and put ourselves 2-0 ahead early into the second half. They clawed one back with one quarter remaining. A nail biting last quarter led to us defending a penalty corner on the final whistle.

New Plymouth Girls' High School - Lost 0-2. The pressure of a must win game to avoid relegation got the better of us. NPGHS scored in the 5th minute and went on to dominate the game, preventing us from gaining any considerable momentum.

Palmerston North Girls' High School - Won 3-0. The disappointment of the morning's game fuelled our determination to get the win. A fantastic team performance throughout the game with multiple attacking opportunities. A nice way to end the Tournament and cap off the season.

### Tournament Result - 11th Marie Fry Trophy

### Representative

Manawatu U18 Girls: Gretel Murphy, Bella Willis, Franca Morrah, Millicent Murphy (squad)

Whanganui U15 Girls: Holly Smyth

### Hockey Awards

50 Games for 1st XI: Bella Marks, Millicent Murphy, Bella Willis

Blazer Pocket: Louise Brabyn, Maggie Hare, Ana Pearce

Junior Award: Greta Darke, Holly Smyth

Blues Tie: Gretel Murphy (re-award), Bella Willis

Sports Service Tie: Emily McKinlay

*Miss Pip Symes - COACH*

## Boys 2nd XI

The Boys 2nd XI Hockey team had another successful season. The team won the Whanganui Secondary Schools competition for the second year in a row. The team had a number of new players and everyone contributed to the success of the team. The boys all showed great teamwork, skill and dedication to the team. I would like to acknowledge **Mr Barry Banks** for his support this year, joining Hockey and managing the team, quickly learning the intricacies of the sport.

*Darren Rowland*

COACH

## Boys Colts

The Colts had a tough season with results early on not going their way. COVID sickness made fielding a formidable team difficult each week, but the team's focus and determination found them getting the results they needed at the end of the season.

The Colts played in the local Whanganui Secondary School competition with other WCS and Whanganui High School Hockey teams. The Colts finished round-robin play with two wins, finishing fourth out of the five teams in the competition. The Colts lost their semi-final against the WCS 2nd XI, which meant the Colts were to play WHS 2nd XI for third and fourth where we had lost to them twice previously. The Colts ended up winning the game 3-2 to finish the season in third place, behind the two other School teams in the competition.

## Inter-School Fixture Results

Lindisfarne Colts - Lost 5-0,

Rathkeale College 2nd XI - Lost 7-0,

Francis Douglas Memorial College Colts - Win 3-1.

Congratulations to the team on a tough season, they continued to work hard every week and ended the season on a high.

*Ronan Spence*

COACH

## Girls 2nd XI

**Manawatu Secondary School Girls Division 3 - 2nd Place.** Awarded Trophy for the most goals scored for a team in Division 3, the total being 73 goals scored, 30 of which came from **Juliet McKinlay**. Only six goals were scored against the team for the entire season.

This was a well-rounded team who worked well together, improving their skills individually as well as strengthening their team game as the season wore on. Losing the final was difficult. It was a hard fought game on our home turf drawing a lot of support. They did their best.

We were ably supported by Assistant Coach, **Miss Ella Meehan** and Manager **Mrs Lucy Trott** as well as the girls parents.

## Girls Hockey White

The White XI had a good season, the girls all improved. The season was a bit repetitive with only having 3 teams in our grade. Yet the girls showed up each week still with enthusiasm knowing they were going to be hard games. We finished 3rd in the Whanganui Secondary School Grade, but did improve to beat the other two teams at least once.

*Miss Maddie Reid*

COACH

## Girls Blue XI

The Girls Blue team played in the Whanganui Secondary School Girls grade where there were only three teams in the competition. It was a season with mixed results, with 4 wins, 5 losses and 1 draw. In total, 20 goals were scored over 10 games.

The team finished the season strongly, winning the competition, beating Whanganui Girls' College 1st XI. The score was 3-3 at full time, with **Juliet Robb** scoring two goals and **Lucy Williams** one; then taking the win 2-1 on shoot outs, with **Matilda Dreyer** and **Isla Strahan** scoring one goal each.

*Maggie Symes*

COACH

## Boys Black XI

The Boys Black Hockey XI once again played in the local Senior Secondary Schools competition. It was another very successful season playing against local school first teams.

This young team again showed character and ability being finalists in this division, losing to our WCS 2nd XI.

Hockey Whanganui Secondary Schools Boys Competition - 2nd

*Mrs Gillian Lennox*

COACH

## NETBALL

### Senior A

The Senior A Netball side made great strides in 2022. Playing in the local Whanganui Premier Division, they were presented with tough opposition every week and were forced to grow and develop quickly, both in skill and strategy. The end of the season saw the side playing off for the Plate final and after putting in a solid 60-minutes, were eventually outplayed by Kaierau A2.

The two weekly sessions spent with Mr Gil Barnitt, gym conditioning and the weekly training sessions combined with the match play put WCS Senior A Netball in a good place to compete at the Lower North Island Secondary School Championships held in Hawke's Bay.

It has been a long period since WCS made top 16 out of 48 teams to compete for the right to be top contenders in the region. They faced some very slick opposition and even faced eventual winners Manukura. It was a great learning curve for them to see and face quality opposition, adding to their experience and showing them what one day they might aspire to.

### **LNISS – 15th**

Palmerton North Girls' HS lost 22-41  
Inglewood HS won 42-17  
Kapiti College won 45-30  
Manukura School lost 25-58  
St Oran's College lost 35-39  
Sacred Heart New Plymouth lost 22-38  
Samuel Marsden lost 40-50  
Woodford House won 33-23  
Sacred Heart Lower Hutt lost 23-34  
Feilding HS won 36-32

The girls can be very proud of their achievements this year and look forward to this being a stepping stone to even more success in the future.

### **Inter-School Results**

New Plymouth Girls' High School - lost 28-35  
Woodford House - won 29-22  
St Matthew's Collegiate - won by default  
Scots College - lost 30-51  
Whanganui High School - won 48-40

### **Whanganui Representatives**

Congratulations to the following girls on their selection to Netball Whanganui's Age Group Representative teams.

#### **U18 - Team Ururangi**

Antonia Harding  
Elena O'Leary  
Emma McKelvie

#### **U16 - Team Tupuānuku**

Mady Petley  
Savannah McDougall

#### **U15 - Team Tupuārangi**

Kimiora Delamere-Heap  
Claire Alderton  
Abby Shaw

#### **U14 - Team Waiti**

Elizabeth Adrole  
Jessica Sherratt  
U14 - Team Waitā  
Mischa Petley  
Ottalie Morrah  
Emma Bullock  
Caitlin McKelvie  
Ashleigh Morton

*Miss Joline Henry*

**COACH**

### **Senior B**

It has been an enjoyable experience coaching this year and although the results have not been in our favour, I am super proud of the girls' efforts and dedication to their team. With a large squad of twelve we had a variety of strengths and capabilities. This also meant that there was never a dull moment, and we were able to have a bit of fun, alongside playing serious netball. As most teams did, we had our challenges, but all credit to the girls for their efforts and attitude throughout the season. Their ability to adapt to different combinations, do as they were asked, uplift one another and have a positive attitude has been admirable.

*Mrs J Abraham & Mrs R L Alabaster*

**COACHES**

### **Senior Black**

Senior Black started the season with a hiss and a roar putting out some impressive court play before the winter bugs and injuries hit the team hard. With only a full team available for the first couple of games, the girls had to play out of position and learn how to adapt to each new combination quickly. There have been some difficult games and the girls didn't let their heads drop and continued to improve. A number of the team really stepped up and took on a leadership role within the group, which has shown throughout the season. At the business end of the season, the team gelled well together to put out smooth and consistent game play to make it all the way to the finals, playing off for 1st and 2nd. To end the season 2nd in our grade was a great accomplishment given the number of times we struggled to put a full team on the court.

The most memorable moment would have to be our semi-final game against Whanganui High School JA2. They had been our bogey team all season only losing to them by a few points each time. I was very proud of the team, as what I could see all season and what we had practiced all season fell into place at the right time. The girls' faces and smiles said it all at the end of the game.

- **Abigail Shaw** – Whanganui U16 representative
- **Chelsea Jones** – Whanganui U16 representative

*Ms P Hamilton*

**COACH**

### **Senior Blue**

Senior Blue have had a really good year, making it into semi-finals and finishing 3rd overall for their grade. Their growth has been awesome to watch throughout the season.

The girls had regular fitness sessions with Mr Buckley throughout the season and he often came to support the girls on the weekends. Mr Buckley came to watch no matter the weather, he was there in the sunshine and even in the rain with his broken umbrella.

Unfortunately for a few of the girls, they were compromised with sickness on and off, but the team were lucky to escape with minimal injuries. Whatever the outcome, they made light of every situation and played to win. The girls showed immense team morale and really connected throughout the season, both on and off the court. They have been incredibly supportive of each other and shown respect towards their opponents (even when there was a few hairy and physical matches).

*Ms P L Jones & Mr C P Buckley*

#### COACHES

### Junior A

Overall, what a successful season the girls have had. From a up and down start and being put into what I felt was the wrong division in the first round, to moving up a grade and with the short time we had there, managed to make Top 4, placing 4th. Our Inter-School matches went well, winning three and losing two. We entered into a Junior Tournament in Palmerston North where we were top of our pool and then placed 3rd overall. I think the parents would agree that the whole team played outstandingly all day!

A highlight was when we played Whanganui High School in the semi-final which, was like a final. The girls stood up for all four quarters and everything we had been working on came into play during this game. It was a great game of netball to watch! These were a super bunch of girls to work with. Thank you to all our supporters.

*Ms C L McDougall & Miss T M McDougall*

#### COACHES

### Junior Black

Junior Black began the season by winning their Open Day game with only six players on the court. The team moved from strength to strength throughout the season. A small team of eight, the girls remained unbeaten in the first round, which they really fought for and should be incredibly proud of. Small numbers requires great flexibility. Each player has played entirely new positions this season and this became a great team asset. Positional diversity strengthened our court combinations and ignited a lot of learning for the team. Team training was held both on and off the court. These included watching our Senior A team play, viewing recordings of our own game and even spending a classroom session looking at positional roles and umpiring tests. The team always played hard, showed great sportsmanship and supported one another. A special thank you to those that cheered the girls on each week, assisted on game days and filled in when we were short! The team finished 4th in the SS4 grade with a very enjoyable and entertaining final game.

*Miss M P Allen & Miss G M B Donaldson*

#### COACHES

### Junior Blue

The season started with our first practices where not one of the girls had played netball together and a few of them had not even played before. We decided that it was best to improve their netball play whilst having the most amount of fun as possible. Our first practices consisted of basic skills such as passing and catching, which were essential in our first games. The first four games ended with losses, but in our fifth game, after working hard and digging deep the girls pulled out their first win and then a second the following week. During this time, we worked on many skills which helped the girls improve enormously. They also enjoyed some team runs where they learnt the importance of friendship and how to encourage each other. We then entered Term 3 where we had a relatively uneventful term with only one game, due to defaults and byes. Eventually we placed 5th in the SS5 grade. We are so incredibly proud of the girls and how hard they worked this term.

### ROWING

The rowing season was again impacted by COVID-19 with the cancellation of most North Island regattas prior to March when Karapiro Rowing finally decided that they could set out zones and run with groups of less than 100/zone. Unfortunately, this probably affected us more than a lot of our rivals who still managed to have valuable racing experiences in their provinces or at Twizel.

We commenced the season with the following coaching structure in place:

Head Coach – Tyler Scott

Senior Boys & Girls squad – Kit Croxford & Rick Grobecker

U16 Girls – Kit Croxford & Rick Grobecker

U16 Boys – Brayden Coley

U15 Girls – Jenna van Dort

U15 Boys – Mark & Fiona Bullock

Academy in Term 1 2022 – Gus Scott, assisted by Dan McSweeney

The various initiatives employed over the previous seasons were continued and have had a positive effect especially with boys' participation. Fifteen U15 Boys completed their first season. Initiatives included steak meals in Term 1, have-a-go days during sleepover weekends and also during Y9/10 PE classes. Also, positive promotion on social media platforms. A total of 74 competed throughout the season with a further 22 joining the Academy in Term 1.

### Early season activities

Our first event for the season was November's Whanganui Rowing Association annual Bridge-to-Bridge 10km race from Upokongaro Cycle Bridge to the Town Bridge. Our entries performed admirably with the Boys 8+ taking 2nd and the Girls 8+ 3rd place overall.

Unfortunately, due to COVID-19 restrictions, the Johns Trophy at Waitara, Whanganui's Jury Cup then the Christmas Regatta – Lake Karapiro were cancelled.

After a five-week Christmas break we reconvened late January with Camp at WCS. The rowers showed plenty of enthusiasm and we got into some good training with some excellent gains being made in technique, strength and fitness. Unfortunately, at about Day 3 we learnt that the North Island Club Champs were cancelled. After some consultation, Camp was extended by three days. Parent support was fantastic, much gratitude from me for helping make it a success.

In Term 1 a further 22 mostly Year 9 boys and girls commenced their rowing careers in the Academy learn to scull programme.

After much procrastination and lots of pressure from various Clubs and Schools throughout the North Island, Karapiro Rowing finally concluded that they could run a safe Regatta.

## **NISS Championships Regatta**

After months of solid training the whole WCS Rowing squad finally got away to a regatta mid-March and were able to put in to practice what they had been building for. The NISS Regatta at Lake Karapiro was run differently this year due to COVID gathering rules. Basically, two separate regattas were run with boys attending Friday and Saturday, girls Sunday and Monday and all Schools grouped into zones of less than 100 people with no spectators allowed. Our rowers performed surprisingly well considering we had no build up regattas. Sunday heats of girls were mostly blown out, so all Finals were run as time trials.

### **A Final Results**

#### **Boys U17 Coxed Quad - 3rd**

Zac Burke, Jaden Allen, Chase Hanekom, Lachie Bell + Hunter Rowland

#### **Boys U18 Coxless Pair - 4th**

#### **Girls U16 Coxed Eight, Time trial - 7th**

Jemma Rasmusen, Poppy Moore, Chelsea Jones, Charna Craig, Caitlin Fisk, Olivia Gibbons, Georgie Ross, Bambam Boolong + Jack Walker

## **NZSS Championships Regatta**

A squad of 23 WCS rowers plus support made the long haul to Lake Ruataniwha, Twizel late March for the NZSS (Maadi Cup) Regatta. Again because of COVID restrictions the regatta was a bit different with restricted numbers, no U15s allowed and all separated in zones of less than 100. It was extremely well organised and South Island Rowing should be congratulated for running a very slick but secure event. Our rowers did well to achieve 12 of 15 boats entered, winning their way into either an A or B final, especially as we now know that COVID from home was creeping through our camp, with a couple of boys testing positive at Twizel and most other rowers within days of returning home. That aside it was great to get some racing and attend a Maadi Cup at Twizel. Below are some of our better results. It was unfortunate that the boys' eight and quad had to be scratched.

### **Final Placings**

#### **Boys U17 Double, A Final - 5th**

Jaden Allen, Chase Hanekom

#### **Girls U18 Coxed Four, A Final - 6th**

Tessa Norman, Olivia Leask, Brooke Lanauze, Gretel Murphy + Hunter Rowland

#### **Boys U18 Coxless Pair, A Final - 8th**

Matthew Poulton, George Nilsson

#### **Girls U17 Coxed Eight, A Final - 8th**

Emily McKinlay, Pippa Bullock, Mary O'Leary, Poppy Hobbs, Gretel Murphy, Sam Hayes, Jemma Rasmusen, Milly Murphy + Lyla Brown

#### **Girls U18 Coxless Pair, B Final - 1st**

Tessa Norman, Olivia Leask

#### **Girls U18 Coxed Eight, B Final - 2nd**

Emily McKinlay, Pippa Bullock, Gretel Murphy, Mary O'Leary, Poppy Hobbs, Olivia Leask, Tessa Norman, Milly Murphy + Lyla Brown

## RUGBY

### 1st XV

A squad of 25 came into camp in April for the first pre-season match against **Matamata College**, before heading to the South Island to the St Kevin's Festival in Oamaru.

The game against Matamata College was a typical pre-season game with a lot of errors and low scoring. **Lost 12-19.**

After a day of training with Mr Darren Larsen, the Hurricanes Youth Development Coach; local Border stalwarts Mr Cole Baldwin and Mr Craig Clare, the squad headed to Oamaru. The trip didn't start well with the flight from Palmerston North to Christchurch delayed, then after heading away from the airport a phone call came through that a bag had been left behind and a quick U-turn had to be made. We settled into St Kevin's boarding house. Our first game was against **Rangiora High School** and fifteen minutes into the second half we were leading 31-0. After several changes the opposition hit back and managed four tries in a fifteen-minute spell to close the gap. **Won 31-22.**

The next day we headed to Dunedin to watch the Highlanders train and listen to what Dunedin has to offer for rugby boys thinking about heading south. A quick trip to climb Baldwin Street and then out to St Clair for a run on the beach and a swim for a brave few.

Our second game was against the hosts **St Kevin's College**. A good first half saw us leading by 17-0 and just one further score in the second half to seal the win. **Won 22-0.**

Next up **Palmerston North Boys' High**. A poor first half saw us down 5-22. A much better second half with a score of 19-22. **Lost 24-44.** Then the traditional against **New Plymouth Boys' High** with again a poor first half and a more competitive second half. Work on defence was definitely needed. **Lost 17-35.**

Next was **Hāto Paora** with the Sam Strahan Cup on the line. A very good game to work on attack, but not defence – 12 tries. **Won 78-14.**

Then the start of the CNI and an away trip to play the much-fancied **St John's, Hamilton**. After taking the lead with an early penalty we were never in the game, **Lost 3-46.** Then a run of four wins **St Peter's Won 26-19, St John's, Hastings Won 34-10, Francis Douglas Won 15-12, Rathkeale Won 36-8.** Then across to **Lindisfarne** and a first half into the wind with lots of territory and opportunities for no reward, Nil all at half time. Two tries apiece in the second half which they converted and we didn't.

**Lost 10-14.** Across country to **Wesley College** via Taupo and a half time score of 3-7. A magnificent effort in the second half with us crossing the line twice, but the tries not given and another close loss with no score in the second half. **Lost 3-7.**

Next was **Quad** at Home. First up was **Christ's College** and a poor start put us a couple of tries behind after which it was a very even game. **Lost 33-47.** **Wellington College** in the Minor Final and the boys played very well scoring two good first half tries, but Wellington hit back and with ten minutes to go were leading

12-13. A late penalty from Pita Manamanaivalu sealed a deserved win. **Won 15-13.**

Then the last two rounds of the CNI with **St Paul's Collegiate** in the first week of the holidays. A closer game than the score suggests. **Lost 10-20.** Then local rivals **Feilding High School**, an even first half saw us down 5-12, but the second half was one way traffic. **Lost 12-36.**

This put us in the 5th-8th CNI Plate and a home semi against **Francis Douglas Memorial College**. A good game which could have gone either way. **Won 26-22.** Up to Taupo for the 5th & 6th play off against **St Peter's Cambridge**. Apart from a five-minute spell just before half time, probably our best performance of the season with six very good tries. The first team to win the new Plate. **Won 38-25.**

The local derby against **Whanganui High School** was next with another blow out like the last two seasons - 15 tries. **Won 89-3.**

Then we had the unexpected extra rugby with the Hurricanes Co-Ed Cup and a trip down to play **Upper Hutt College** in the semi-final. A very good performance. **Won 57-7.** A final against **Wairarapa College** in Palmerston North ended up being a bit closer than the coaches and manager would have liked – a bit of a theme for the season. **Won 23-17.** Hurricanes Co-Ed Cup Champions for the first time.

P	W	L	F	A
22	13	9	593	440

96 Team Tries

Top Try scorer: **Josh Brunger** (14)

Top Points scorer: **Pita Manamanaivalu** (141)

Thanks to **Mr Charlie Meyer** for his great work as Manager, particularly with communicating with the parents and organising all the food. Thanks to **Mr Mark Godfrey** for the six years of coaching and the time he gave to the team especially carrying on for two years after Harry has left. Thanks to all of the parents for their tremendous support. Finally, thanks to the team for the effort and commitment shown in the season, particularly to the Y13s who are leaving us. A special mention to Captain **Harvey Meyer** and Vice-Captain **William Johnston** who led the team so well. Also, **Konradd Newland** who even when he was out with his back injury helped with coaching and on the sideline.

### Representatives

Whanganui U14 : **Parlay Clarke, Ben Karatau, Thornton Humphrey, Jack Amon**

Whanganui U16: **Luke Bullock, Maurice Mow**

Whanganui U18: **Konradd Newland, James Hardy, Hunter Gibson, Judah Saumaisue, Josh Allpress, Pita Manamanaivalu, William Johnston, Josh Brunger, Monty Sherriff**

Hurricanes Development Camp: **Konradd Newland, Josh Brunger**

Fiji U18 Camp: **Judah Saumaisue, Pita Manamanaivalu**

*Mr Steve Simpson*

COACH

## 2nd XV

The 2nd XV started off pre-season games well, even though we did have a few players missing as they were off with other commitments. The games included three wins against Feilding High School, Cullinane College, U14 Hato Pāora and a loss to Palmerston North Boys' High School. One of my favourite highlights was **Saul Abernethy** doing a 'Nathan Cleary bomb' for **Chase Hanekom** to score in the corner (Saul cementing a spot in the midfield). Another highlight was watching **Noah Pa'a** also having a runaway try against Cullinane. The result of the pre-season games put the team in Premier 2, often dominated by teams with big packs, but never the less, every Saturday our battlers fronted. Our first game was against Whanganui City College which was probably our best display of rugby. Big runners, **Riley Wright**, **George Pearce** and **Noah Pa'a** run up the middle, then fished on the blind to set up **Luke Bullock** and the backline.

The team faced some tough encounters with PNBHS Colts, Horowhena and Dannevirke, in which saw our defence severely exposed. The boys managed to pull off a satisfying win against PNBHS 3rd XV. They also finished strong in a high scoring game against a very strong Manukura 1st XV with the final score being 47-36.

**Riley Wright** played an awesome season as one of our main ball carriers, **Ben Duncan** and **Charlie Hansen** played Prop almost every game, **Aly Mahmoud** was tidy over the ball, **Logan Brown** was an outstanding tackler and lineout option, **Angus Pearce** played 70 mins every game, applying awesome decision-making and cover defence, **Luke Bullock** was our top try scorer and was tremendous leading the backline, **Ian Mortan**, our Captain was massive everywhere on the park and **Josh Bromley** who came late into the season, had a big impact.

Although a rollercoaster season the 2nd XV ended up 4th/5th on the table tying with PNBHS 3rd XV. Considering all factors the team had an awesome season: they were never held scoreless, played most of their big games away, fronted up against some 1st XV's in which Rugby is their main sport and were challenged in a division higher than last year. I look forward their progress next season.

### Inter-School Results

FDMC lost 4-45

Rathkeale College lost 17-27

Lindisfarne lost 5-55

*Mr Josefa Rokotakala*

COACH

### Colts Black

The Colts Black Rugby team had an exceptional year winning their Youth One final against PNBHS U15B Colts 8-5 which was a hard-fought game.

The Colts Black also won all their Inter-School games against Lindisfarne, Francis Douglas and the final game against WHS U16 side, beating them 91-0.

They also played in the Lindisfarne College U15 Invitational Rugby Tournament at the end of the season winning against Nouvelle Caledonie 44-5, Lindisfarne College 21-10 and losing to St John's Hamilton 42-29 and St Peter's 42-19. This put them in 4th place overall.

The Colts Black team played 17 games this season, won 14 and lost 3. They scored 781 points and conceded 258 points which gives them a 523 point differential. This was a very pleasing result with the boys modest in victory and gracious in defeat.

To top off the season the Colts Black team were given the "Team of the Year" award at the WCS Rugby Prize Giving.

*Hamish McDougal and John Mow*

COACHES

### Colts Blue

The Colts Blue season started with the boys being graded into Youth 3 after losing both our grading games. Despite this rocky setback, Youth 3 proved to be the perfect grade for the boys to demonstrate and grow their abilities as rugby players. This grade consisted of Palmerston North Boys 6, 7, 8 and 9, Feilding High School Hostel, Feilding High School Under 14B and Hato Pāora Development. The boys played eight games during the season winning five games, losing two and drawing one game with a points differential of 54. Our two losses being to the two eventual finalists, PNBHS 6 and PNBHS 7 and our 19-all draw with the eventual grade winner PNBHS 7 in the semi-final, which saw us missing out of the final due to countback. The boys demonstrated great tenacity and grit, playing expansive free flowing rugby against larger opposition in a heavily disrupted season. Also of note, were our games against a spirited Cullinane College, where we conceded one game of three.

*Harry Unsworth*

COACH

## 7S RUGBY

The 7s Squad began training in Term 1 to prepare for some local 7s competition and the North Island 7s in Tauranga but due to COVID no tournaments took place. In Term 4 everything was back to normal with three tournaments for the team to play in.

### Sir Gordon Tietjens 7s

WCS sent an U15 and an Open team to the Sir Gordon Tietjens 7s held at the Massey University grounds over Labour weekend.

Both teams played three games on Saturday and then another three play-off games on Sunday. The U15 squad playing in their first ever 7s tournament competed well and even though they lost their three games on Saturday, they were always competitive, and results could easily have gone the other way. On Sunday first up they had to face the top team from the other group which was the PNBHS Blue team (who went on to be the overall winners), losing 0-45. WCS then had a very good game against Marlborough BHS losing narrowly. This meant they had to play PNBHS White again for 7th or 8th position. The team played well and finished with a good win 19-10.

The Open Boys team started Saturday well with a convincing win over Manukura 36–7. They then played two very strong teams Feilding High School and Hastings BHS losing both games in the second half after competitive first halves. On Sunday they faced Marlborough BHS first up and a very poor first half saw us down 0–31, a much better second half with two tries a piece had a final score of 10–41. Next up was New Plymouth BHS with WCS playing their best 7s of the weekend to win 38–21. This meant a 5th/6th play-off against Howick College. Two early sin-binnings saw us down 7–17 at half time, but four good second half tries saw the game level at 31–31 in the last minute. Unfortunately, Howick managed a break down the blindside to take the victory 31–36.

### U15 Squad

Sam McDougal, Nate Burke, Ben Evans, Rupeni Koroï, Connor Rees, Dominic Bingle, Ben Karatau, Filipe Bayly, Archie Hamilton, Angus Allpress, Liam Scott-Pages, Keagan Hanekom

### Open Boys Squad

William Johnston, Harvey Meyer, Jack Evans, Judah Saumaisue, Josh Allpress, Max Thornton, Monty Sherriff, Jack McCarthy, Declan Guinea, Konradd Newland, Ian Morton

### Feilding 7s

On Saturday 19 November the WCS 7s squad attended the Feilding 7s Tournament which was to be a final preparation before the Condor 7s. A tough day was expected with the top two Wellington teams of St Patrick's College Silverstream and Scots College and the top two Manawatu teams of Palmerston North Boys' High School and hosts Feilding High School all to play.

WCS started with Feilding who we had lost to heavily at the Sir Gordon Tietjens 7s a few weeks earlier. Two tries from Feilding were answered by tries from **Josh Brunger** and **Monty Sherriff** but a missed conversion had us down 12-14 at half time. A try from **William Johnston** converted by **Pita Manamanaivalu** was matched by Feilding and with time nearly up and behind by two points **Judah Saumaisue** crashed over in the corner to seal a great victory 24-21.

Next up was St Patrick's College Silverstream and WCS took control early with another strong run from **William Johnston** giving him his second try, quickly followed by another from **Monty Sherriff** and a third added by **Pita Manamanaivalu**, two of which were converted, to be leading 19-0 at half time. St Pat's hit back with a couple of tries in the second half but WCS held on to win 19-12.

The third game was against the Sir Gordon Tietjens 7s champions Palmerston North BHS. **Josh Brunger** ran strongly and beat several tacklers to score two first half tries, both converted by **Pita Manamanaivalu**, but PNBHS were equally good on attack and scored three tries with only one converted to lead 14-17 at half time. In the second half a try to **Judah Saumaisue** and a third to **Josh Brunger** both converted by **Pita Manamanaivalu** were

answered by two to PNBHS with only one converted meaning the narrowest of losses by 28–29.

To make the final WCS had to beat Scots College. A fantastic start saw **William Johnston** go straight through the middle off the first possession to score under the posts. Then a try from hardworking **Harvey Meyer** was followed by tries to **Pita Manamanaivalu** and **Monty Sherriff**, with three converted by **Manamanaivalu** to lead 26-0 at half time. A much more even second half saw **Josh Brunger** go in for another try and **Ratunui Latus** breakaway to run 60m for one as well. Scots crossed for a couple themselves, but the damage had been done in the first half. Final score 38-12.

This meant a final against PNBHS. WCS again started well and scored three tries in the first half, two to **Pita Manamanaivalu** and one to **William Johnston** with PNBHS getting over once. Half time 17-5. **Josh Brunger** added another in the second half, but PNBHS came back strongly to score three of their own with two converted, to be leading 22-24. With time nearly up **William Johnston**, with one of his classic powerful runs, burst through and raced away to score under the posts and seal a tremendous victory 29–24. A great result and great lead into the Condor 7s

Squad: Judah Saumaisue, Harvey Meyer, Hunter Gibson, Monty Sherriff, Pita Manamanaivalu, William Johnston, Josh Brunger, Jack McCarthy, Jack Robertson, Ian Morton, Josh Allpress, Declan Guinea, Ratunui Latus, Max Thornton

### Condor 7s

A squad of 12 travelled up to King's College on Friday 2 December to play in the Condor 7s. WCS had a tough group of St Bede's, De La Salle and Nelson. The first game was on the No 1 field against St Bede's and WCS took early control, keeping possession until **William Johnston** broke through to open the scoring. Good defence held out St Bede's and then just before half time good play was finished off with a try to **Judah Saumaisue** to lead 10-0 at the break. St Bede's started the second half well and got over for a try but a good lineout steal from **Hunter Gibson** led to a try from **Monty Sherriff** converted by **Pita Manamanaivalu**. Then a well-deserved try to **Josh Brunger** sealed the victory 22-5.

Next up was De La Salle who finished fourth the Auckland 1A in 2022 and made the semi-finals of the last Condor 7s in 2020. De La Salle applied early pressure and forced WCS into several errors and scored three unanswered first half tries with one converted to lead 0-17 at half time. The second half continued in much the same way with another three tries to DLS all converted. Final score 0-38.

The third game was against traditional Quad rivals Nelson College. WCS played with more composure this time and moved the ball well for **Pita Manamanaivalu** to break away to open the scoring and also to knock over the conversion. **Josh Brunger** then scored his second of the day to extend the score to 12-0 at half time. Unfortunately, hardworking **Harvey Meyer** had sustained a bad ankle injury and **Pita** had injured a hand. They were replaced by **Ratunui**

**Latus** and **Josh Allpress**. Nelson started the second half with a quick try to narrow the gap. **Pita Manamanaivalu** decided his hand was ok to go back on and immediately made a break to score his second of the game and convert to extend the lead. Nelson responded with another try, but WCS held on for a great win 19-10.

This meant after round robin play we had a ranking of 14 and in the Plate Competition (9th-16th) for our Sunday matches. First up was St Pat's Silverstream and WCS started well with **Josh Brunger** opening the scoring in the first minute, converted by **Monty Sherriff**. WCS then went to sleep and let St Pat's take charge leaking three tries before half time. It was much the same at the start of the second half with St Pat's adding a couple more. WCS finally took some control scoring two converted tries to **Monty Sherriff** and **Ratunui Latus**, but it was too little too late. Final score 21-29.

Next was Christchurch Boys' High School and the first half didn't go well with three converted tries being conceded and losing captain **William Johnston** to concussion. Down 0-21 at half time. **Pita Manamanaivalu** was then introduced with his injured hand heavily strapped and immediately made an impact, backing up **Josh Brunger** to go over for a try out wide which was unconverted. Christchurch BHS replied with another converted try. WCS then had a great period and scored three tries, one to **Josh Brunger** and two to **Pita Manamanaivalu** which were all converted to end up losing narrowly by one conversion. Final score 26-28.

The last match was against Whangarei Boys' High School for 15th and 16th place. WCS showed great attitude and determination in their final match with **Declan Guinea** and **Ian Morton** in particular taking their opportunity for more game time. **Pita Manamanaivalu** opened the scoring with a great dummy and a run around the winger, which he also converted. A poor kick-off led to Whangarei getting possession and they responded with two tries of their own. **Monty Sherriff** then hit back with a great support try after **Judah Saumaisue** had been stopped just short. Just before half time **Declan Guinea** got his first try of the tournament to put us in the lead 19-12. The second half was much like the first with **Josh Brunger** scoring an early try from the kick off and then Whangarei responding with one of their own. **Monty Sherriff** went in for his second of the game, but Whangarei hit back to keep the game close. **Declan Guinea** then finished the scoring with a well-deserved second try to seal a hard-fought victory 36-24.

Squad: **William Johnston (Capt.)**, **Hunter Gibson**, **Harvey Meyer**, **Judah Saumaisue**, **Monty Sherriff**, **Pita Manamanaivalu**, **Josh Brunger**, **Ratunui Latus**, **Josh Allpress**, **Max Thornton**, **Ian Morton**, **Declan Guinea**

*Mr Steve Simpson*

COACH

## SAILING

Sailing had good numbers of new members again this year with many juniors trying sailing. There is always something nice about the excitement generated by new and existing students getting out on the water after a Christmas break. We have attended a few regattas but unfortunately less than I would have liked. Clashes with other events, COVID cancellations and some poor weather, have dampened our efforts in that space. Our race crews did attend the RS Feva Nationals in Auckland hosted by the Maraetai Sailing Club. This was a well-run event, run by a very experienced sailing club. We managed one day of racing in very light winds with the second day postponed then cancelled due to what can only be described as "glassy" 100% wind free conditions. The team made the most of the day swimming at the beach right next door to the club and hanging out at the club rooms. The team at Prize Giving gained a special mention from the organisers for their outstanding behaviour and willingness to jump in and help all the other teams when needed. Overall, a thoroughly enjoyable weekend with some good results.

Our Elite and new regatta sailors were out on the water training hard under Coach Mr Bryce Mason in Term 1 2022. Bryce's input was always good to have and our sailors appreciated his efforts out on the water. We also were lucky to have Mr Scott Bryant working with us on Saturdays. Scott's passion for all things sailing continues to rub off on our team of sailors. His input and can-do manner has been invaluable this term.

We are blessed with many new and talented "natural sailors" coming through from our development programme. These sailors are very keen to gain a position in the fleet for 2023 and have been working hard to cement their places. Planning is ongoing as we look to fund purchasing RS Tera boats to replace our aging fleet of Toppers. RS Teras will provide modern systems and a better experience for our new sailors whilst still being very robust. We are also in the planning stages of looking to build an outdoor pen for boats during the season. This will enable us to leave boats rigged and our sailors quicker access and more time on the water.

In a final mention, I would like to thank **Logan Bryant** and **Lexie McDougal** for their leadership as Captains of WCS Sailing over the past year. The efforts these two fine young people have put in go a long way to making our team what it is. I'm looking forward to another busy season with more fun to be had by all.

*Mr Alistair Duff*

COACH

## SWIMMING

2022 was a strong year for swimming at Whanganui Collegiate School with the School sending our largest contingents to qualification meets around the country throughout the year, swimmers need to meet stringent qualification times in order to compete at most swim meets. The increasing size of our swim team throughout the year highlights the growing strength of swimming at WCS.

At the WCS Swimming Sports in February, our swimmers shone in the pool, and despite having no family spectators, the students all put on a great show.

Individual Championship Winners are listed in the Prize Giving section of this publication. The following broke School Records:

<b>Eli Abraham</b>	U14 Boys 100 Backstroke
<b>Amy McHardy</b>	U16 Girls 220 Freestyle
<b>Marley Orr</b>	Senior Boys 100 Breast Senior Boys 4 x 25 Individual Medley
<b>Georgia Abraham</b>	Senior Girls 220 Freestyle Senior Girls 50 Butterfly

### Whanganui SS Swimming Championships March 2022

Whanganui Collegiate School won by more than 1500 points from second-placed Whanganui High School. Two swimmers won all of their races (three individual and a relay): **Sophie Young-Wilson** in the 13 & Under Girls and **Georgia Abraham** in the Senior Girls.

### NZ Age Group Championships April 2022

Whanganui Collegiate School had three swimmers qualify for the NZ Age Group Championships (NAGs) this year. Results were:

**Georgia Abraham** - 3rd 16 year old 50m Backstroke, Whanganui Age Group and Open record, Manawatu record and Personal Best; 9th 100m Backstroke; 11th 50m Butterfly, Whanganui Age Group and Open record and PB; 12th 50m Freestyle and PB.

**Eli Abraham** - 7th 13 year old 50m Backstroke, Whanganui Age Group record and PB; 12th 50m Butterfly and PB.

**Marley Orr** qualified but did not swim due to illness.

### NZ Division 2 Swimming Championships

**Greer Gresham, Harriet Douglas and Sophie Young-Wilson** competed. This swimming competition is for the tier of swimmers who are aiming to qualify for the higher Division 1 Championships (NAGs) which were held in April.

**Sophie Young-Wilson** - 3rd 14 year old 200m Backstroke; 2nd 100m Backstroke; 1st 50m Backstroke and 50m Freestyle.

**Harriet Douglas** - 2nd 15 year old 400 Individual Medley; 4th 1500m Freestyle.

**Greer Gresham** - 3rd 16 year old 50m Backstroke.

## NISS Swimming Championships

Whanganui Collegiate School had six swimmers competing: **Georgia Abraham, Eli Abraham, Marley Orr, Greer Gresham, Harriet Douglas, Sophie Young-Wilson.**

Top results were:

**Georgia Abraham** – silver medal 16 year old girls 50m Backstroke, bronze medal 100m Backstroke

**Eli Abraham** – silver medal 13 year old boys 100m Backstroke

**Marley Orr** – bronze medal 17 year old boys 100m Breaststroke

## NZSS Swimming Championships

WCS sent a team of six, which was the largest team we have sent before and, as all swimmers needed to meet some relatively challenging qualification times, reflects the growing strength of swimming at the School.

The team of **Marley Orr, Georgia Abraham, Eli Abraham, Greer Gresham, Harriet Douglas and Sophie Young-Wilson** each swam at least five individual races across the four-day meet. Additionally, WCS entered four relay teams into various events with our teams, and despite being relative newcomers to team swimming and having to swim in higher age groups given our small team size, they performed meritoriously alongside much older swimmers.

## West Coast Swimming Championships

Attracting swimmers from the Whanganui, Manawatu and Wellington regions, Whanganui Collegiate School had six swimmers representing the Whanganui Swimming Club, achieving a total medal haul of 26 – 13 gold, nine silver and four bronze in their first meet of the season.

In the Girls 16 and over section, **Georgia Abraham** won gold in each of her six races, while newcomer to Whanganui Collegiate School, 14 year old **Blake Candish** won three gold medals and two silver medals from five starts. 14 year-olds **Sophie Young-Wilson** (two gold and three silver) and **Eli Abraham** (two gold, one silver and two bronze) also performed impressively at the meet, as did twins **Keanu and Kaya Marshall**, with three silver and two bronze medals, respectively.

This year, **Georgia Abraham** was awarded a Recognition of Age Group Excellence award by Swimming Manawatu, recognising her as the top 16 year old and over swimmer in the region. Her year culminated in her winning the Johnston Trophy for Commitment to Swimming Excellence at the 2022 Senior School Prize Giving.

We congratulate all of our swimmers on a successful swimming season in 2022 and our School coaches, **Mr Peter Preston, Mr Henry Jones and Mrs Olivia Wright** for their work with our group of around 40 swimmers. We look forward to the 2023 season.

*Mrs Jackie Abraham*

COACH

## TENNIS

Tennis has grown over the year with a record 128 students now registered to play the sport. Growth has been supported by the Whanganui Tennis Club, where our students become members. Highlights of the year included exchanges, tournaments and achieving the highest ranking from the top squad players in a number of years. The boys' squad did exceptionally well with **Sasha Milentijevic-Vague** winning the Club A-grade Championship, then breaking into the top 500 tennis players in New Zealand and beating a top 200 player. **George Blundell** won the Club B-Grade Championships.

### Inter-School Results

**Francis Douglas Memorial College** - A home exchange against traditional rivals, WCS winning seven matches to five. Special mention to **Archie Hare** winning a long super-tie break to secure the team win. The Junior Top 8 competed in Term 4 and won 12/12 games.

**Manawatu Inter-Club** - Wednesday weekly Inter-Club in Manawatu with WCS A competing in the Premier One competition, just missing out on the play-offs. The Premier Two team was also close. We also combined with the Club in the Premier Two team making the finals.

**New Plymouth Girls' High School** - Away game with the top six girls. The most competitive we have been against NPGHS in a number of years. **Francesca Lyons** and **Olive Tahau** played much higher ranked girls and were beaten, **Anipatu Tauhara** and **Pathamon Permhol** had easy wins and **Charlotte White** and **Tabatha Smith** battled, but ended up losing close games.

**Lindisfarne Tournament** - Top five juniors competed at Lindisfarne, beating the Lindisfarne B, but just missing out against their A side and FAHS.

**Feilding High School** - Home game against Feilding going down 22-18. We were not able to play our top 4 players as their ranking was too high for Feilding, so a good result. The fixture included 40 matches, each player playing at least three games.

**CD Tournament** - Four even WCS Squads competed in four separate exchanges with Feilding High School, Paraparaumu College and Whanganui Club team. Out of the eight squads, our teams came 2nd, 4th, 5th and 8th. Not bad considering five top players were out due to illness. A great experience with four matches played per day. Top ranked player **Sasha Milentijevic-Vague** won 60 games to five dropped against non-WCS opposition number one ranked players.

**Club Champs** - Competed round robin matches on Sundays with a finals day. Results included WCS placing 1st (**Sasha Milentijevic-Vague**) and 2nd (**Poon Punnarujawong**) in the Men's A-Grade Singles; 1st (**George Blundell**) and 2nd (**Paul Saengpakdee**) in the Men's B-Grade Singles. Both pools were against 12 of the best school and club players, so a massive success. The girls competed in the Women's B-grade and just missed out on the finals.

**Whanganui Reps v Taranaki** - Top Squad competed within the Whanganui representative team. WCS players won 12 singles against Taranaki's 6 and won 3-2 in the doubles. Special mention to **Poon Punnarujawong** who had to play three tie-breakers to win a very long singles match.

Junior Reps competed against Taranaki, Wairarapa and Manawatu with 11 players from WCS in the team. Those not in the top squad participated in two practices and competition games each week earning points for their singles and doubles National rankings. Highlights were the Saturday Quick Singles programme, where every third Saturday they were involved in a mini-tournament.

Tennis prizes were awarded to:

Squad	MVP	Most improved
Beginner Squad	Sophie Zhang	Sophie Qiu
Fast Track	Te Amo Crow	Isla Strahan
Emerging	Pathamon Permhol	Beau Booth
Development	Archie Hare	Thornton Humphrey
Top Squad	Toby Craig/ Poon Punnarujawong	Paul Sangpakdee

Tennis Champions are listed in Prize Giving section of this publication.

*Mr Mark Wilson*

COACH

## TRIATHLON

The triathlon season for 2022 suffered again from the effects of COVID. Many of the races around the country were cancelled again for a second year. Fortunately, the NZSS Championships were able to take place in New Plymouth. We had a small group attend from the School in comparison to the last time the event was held, however they were able to achieve some pleasing results.

In the U14 male individual race **Matthias Pa'a** gained 11th place and in the U14 team race, **Finn Herdman**, **Nixon Wright** and **Cameron Spencer** gained 1st place.

In the U16 male individual race **Hector Macbeth** gained 19th and **Dylan Anderson** gained 21st place.

In the U16 female race **Rebecca Boden-Cave** gained 11th place.

In the U19 teams race our athletes gained 3rd place. The team was comprised of **Marley Orr**, **Takuma Iwasaki** and **Jonah Seeds**.

**Hunter Gibson** gained 5th place in the U19 male grade in his final year of competition at this level. Hunter is our first student to take part in every NZSS National Championships during his five years attending the School. He has consistently been at the top of his age group and has made the NZ U19 age group team two years in a row, but unfortunately has not been able to compete at the World Championships due to COVID-19 disruptions.

*Mr Gareth Wright*

COACH

## HOUSE WINTER SPORTS FESTIVAL

The House Winter Sports Festival resumed again this year after being cancelled in 2020 and 2021 due to COVID-19. It was wonderful having it back and the competitive fixtures across the Houses. For this competition the girls join their affiliated boys' Houses and compete. It was another excellent three weeks of competition ending on the last day of Term 3 with Grey House winning the Inter-House Shield, 2nd was Hadfield House, 3rd Harvey House and 4th Selwyn House.

## HOUSE WINTER SPORTS WINNERS

Sport	Junior	Senior	House
Badminton			Harvey
Hockey	Grey	Grey	Grey
Basketball	Hadfield	Hadfield	Hadfield
Football	Harvey	Grey	Grey
Netball	Hadfield	Harvey	Hadfield
Rugby	Grey	Harvey	Grey
Indoor Athletics			Hadfield/Harvey

# **Lifelong** friendships

# Collegiate Connect

Collegiate Connect aims to foster relationships through networking, events and news and with the aim of keeping our wider Whanganui Collegiate School community connected.

Collegiate Connect events attendance was strong with most being excited to meet in large groups again in 2022, with functions throughout New Zealand and one in New York.

## 2022 Events

- Wellington Young Alumni - 11 May at Joe's Garage
- Gisborne Dinner – 12 May at Bushmere Arms
- Auckland – 16 June at the Royal NZ Yacht Squadron
- Wellington – 22 June at Philippa Williams' Residence
- Whanganui, Quadrangular Rugby – 28 June in Big School
- Christchurch – 17 August at Joe's Garage
- Dunedin – 18 August at Joe's Garage
- Auckland, WCS Foundation AGM – 22 September at Jarden
- Palmerston North – 5 October at Columbus Coffee
- Taupo – 12 October at the Bolt's Residence
- Hawke's Bay – 13 October at Hereworth School
- Whanganui – 2 December in the Headmaster's Garden
- New York – 22 December at the Penn Club

## Reunions

1991-2000 Leavers Reunion – 11-13 March – cancelled due to COVID-19

McKinnon Celebration Lunch – 21 May in Big School

We are always excited to see so many Old Boys and Girls, current, past and prospective parents and grandparents. The stories of School and friendships are always a highlight of these events.

Keeping the details of our WCS Community up to date is an ongoing task, registrations with Collegiate Connect continue with each event or publication.

Email and social media are our main forms of communication.  
<https://www.collegiateconnect.co.nz/>

It was a tentative start in Bishops in 2022 as we all found our feet. A new Housemaster, new and returning students, but energy and enthusiasm remained at the forefront for all. We started the year with House Camp, where building relationships was the focus. Activities were centred to foster fun, interaction and continue to build a House environment based on the central pillars of respect and care for each other.

The first term flew by and with COVID rearing its ugly head once again, we were forced to hold our House Athletics on the Golf Course without our parents and families present. The girls did spectacularly, representing their boys' affiliated House in the Inter-House Swimming and Athletics. Special mention to our Swimming and Athletic Captains for their organisation.

A highlight from the year was once again Charity Week where the girls raised close to \$4,000 for Canteen. The girls were very passionate about their chosen charity, acknowledging that most in our community have been touched by cancer and this was a small way to show support for such a worthy cause. Can we take time to thank our Bishops community for their support. We are always humbled by your unwavering generosity, support and service.

House Music was a highlight for Bishops House placing 1st and winning the House Music Competition for 2022. It was a fabulous weekend and I couldn't be prouder of all of our girls. Aply led by Captain **Sami Harrison**, the girls were outstanding. The Part Song, Cynthia Erivo's 'Stand Up' was amazing. Performed by **Sami Harrison, Jarna Flintoff, Cate Tweeddale, Annabel Symes and Hannah Byam** superbly, I couldn't be prouder. Full House Song was a mash up of 'Aint No Mountain High' by Marvin Gaye and Tammi Terrell and 'My Girl' by the Temptations showed the brilliantly clever and creative minds of **Sami Harrison** and her team of seniors involved in leading this event.

After the last two years having to cancel Winter Sports Festival, it was so warming to see it return in 2022! It is so good to watch the boys and girls across the School compete and try sports they otherwise may have limited exposure to! I was very pleased with the participation and effort displayed by our Bishops girls and am proud of their willingness to give things a go.

This year in Term 3, we hosted 'Bishops Got Talent'.

This was a fun and entertaining evening where our girls showed how creative, artistic and culturally talented they all are.

The Senior Debating team of **Olivia Simpson, Jess Yates and Pascale Bowie** were superb in their debates and made it all the way to the final. With the whole team, including extended team member **Antonia Harding** all Year 13

With judges **Annabel Symes, Anna Ross and Emma McKelvie** at the helm, ably supported by the witty announcers in **Kelsey McCullagh and Tessa Norman**, it was a brilliant evening that will remain in the annual calendar for years to come.

next year, 2023 looks to be a promising year for our Senior Debaters.

Once again, I would like to thank our House Staff for their contribution to Bishops House in 2022, from Matron to our Residential Masters, alongside our evening tutors - they all contribute to the successful running of the House and creating a safe and homely environment.

I would like to thank **Annabel Symes** for her work in leading Bishops this year alongside her prefect team and wider Year 13 cohort, who have all contributed to the smooth running of the House in their own ways. I wish them all the best for next year and the future.

2022 was a great year for Bishops and we look forward to 2023 being even better!

*Miss Joline Henry*

**BISHOPS HOUSEMASTER**

## BISHOPS AWARDS 2022

### CULTURAL CUP

*Presented to someone excelling in cultural pursuits.*

**Sami Harrison**

### SPORTSWOMAN OF THE YEAR CUP

**Amy McHardy**

 2nd Row: A M Ross, J A-M Flintoff, K McCullagh, S C M O'Shea  
 Front Row: A E Touzel, E G L Pearce (Deputy Head of House), Miss J Henry (Housemaster), A R Symes (Head of House, Blueshirt), E Noguchi

2022 has been a year unlike any other, but in true Godwin House fashion, the girls have made sure to make the most of every day and ensure that Godwin remains the best House on the Drive! It has been a year that was again characterised by COVID, albeit in a different form. The lifting of nationwide restrictions meant that, inevitably, people got sick. Precautions were taken but for most of us, there was some time away from school and sport. I fully admire the way the girls and staff of Godwin House soldiered on through what was a challenging and often exhausting time.

This year, we welcomed 30 new or returning faces, comprising 23 brand new families as well as six current siblings and two cousins to Godwin House. Of our 2022 additions we also have nine sisters and cousins of male students or former students which goes to show the inter-connectedness of the House and the School. We welcomed new staff members,

Residential Masters, **Miss Kara Adrole** and **Ms Amie Simpson** and most recently, Residential Tutor, **Miss Meg Allen** who joins us from the UK for a year. These awesome role models have contributed so much to the House already and we look forward to spending more time with them in the coming year.

Amid some COVID uncertainty and precautions this year, there were some things that we were able to celebrate together. The Inter-House Swimming Sports was our summer sporting success as a House, while the retention of the Girls Inter-House Winter Sports Trophy was undoubtedly the winter highlight. Once again we had an extremely successful Charity Week in support of KidsCan, raising well in excess of \$5000, and I thank our Year 13 team in particular for leading this, and the enthusiasm that all of our year groups showed in support.

The number of prize-winners who walked across the stage at both the Senior and Junior Prize Giving events was again very impressive in 2022, and we give special congratulations to **Samantha Hayes** who was awarded the Gunasekara Trophy as Proxime Accessit for all round scholarship, **Lyla Brown** who was awarded the Malcolm Beattie Memorial Medal, **Lucy Monckton** who received the William Williams Memorial Trophy, **Olivia Leask** and **Patt Permphol** who each received a School Service Award and **Amelie van Florenstein-Mulder** who was awarded the J H Bradley Memorial Scholarship.

We sadly farewell our fantastic Residential Master, **Ms Amie Simpson**, who leaves us for a full-time teaching job starting in 2023. We have so loved having you here; your warmth and kindness will be missed.

*Mrs Jackie Abraham*  
GODWIN HOUSEMASTER

## Godwin House Dinner Prize Winners

Senior Sportswoman – **Louise Brabyn**

Junior Sportswoman – **Juliet McKinlay**

Gower-James Family Cup for Resilience and

Determination – **Maia Lupton**

*"Most consistently demonstrates resilience through hardship and determination to obtain an outcome or achieve a goal".*

2nd Row: J M Perkins, E J McKinlay, B T Pearce, C L Hobson  
Front Row: P Nguyen, C Y Yang, L L Monckton, B J Lanauze, E M O'Leary, A E Gunson, T Richardson

2022 started with real enthusiasm with our House Camp where Year 13s and Head of House, **Harvey Meyer** organised some great team bonding activities that strengthened/created bonds within Grey and embed House GRIT values of Grey First, Respect, Integrity and Trust.

The first term flew by, it was a shame that COVID made its appearance again, resulting in Inter-House Athletics being held on the Golf Course without our community watching. Grey started the year off in fine form, retaining the Academic and Collegiate Check Cup, whilst also retaining the Inter-House Swimming and Athletics titles. Special mention to our Swimming and Athletic Captains for their organisation.

The Senior Debating team of **Declan Guinea, Zachary Burke** and **Toby Craig** were superb in their debates and lost a very close semi-final debate. 2023 looks to be a promising year for our Senior Debaters.

A highlight from the year was once again Charity Week where the boys raised over \$6,000 for Whanganui Hospice. It is such a good cause and the boys should be incredibly proud of their efforts. We are grateful for the Grey community support providing raffle and auction items. This week always shows the true House Spirit with everyone pulling together.

House Music was a fantastic evening led by Captain **Hideki Yutoku** - the boys were incredibly well prepared. The Part Song of Green Days 'When September Ends' was amazing, along with the Full House Song of 'Brown Eyed Girl' by Van Morrison, also very impressive. Despite coming second I was incredibly proud of the boys putting together two very polished performances.

After the last two years' Winter Sports Festival being cancelled, it was so refreshing seeing it return in 2022! It is so good to watch the boys and girls of Grey compete in the green singlet! It was a great few weeks of Inter-House sport, and apart from one code, Grey were in every final, winning football, rugby and hockey. Grey were the overall champions but a highlight was seeing how Grey supported one another in all the sports.

In Term 3 Grey House hosted a 'Men of Grey Breakfast'. This was a superb morning where our boys invited a significant male in their lives to say thanks for their support over the years. We were lucky to have former Grey Old Boy and current School Board Chair **Mr Jason Bowie** as the speaker. Hopefully this event will continue for future years.

Thank you to our House Staff for their contribution to Grey House in 2022, from Matron to our Residential Masters, alongside our evening tutors they all contribute to the successful running of the House and create a warm and caring environment.

In 2023 Mr McKenzie and Mr Duff will not be returning to Grey. We wish Mr McKenzie all the best in Auckland and we look forward to seeing Mr Duff around WCS.

Also thank you to **Harvey Meyer** for his work in leading Grey this year alongside the Year 13 students, who have all contributed to Grey in their own ways. I wish them all the best for next year and the future.

2022 was a great year for Grey and we look forward to 2023 being just as successful!

*Mr Andrew Brunt*  
**Grey Housemaster**

## GREY AWARDS 2022

**Chess - D Su 2022**

## GREY - YEAR 13

Back Row: B W Skedgwell, K Ohira, J Liang, L W Durning, W S Johnston, D J Burgess, H Yutoku

Front Row: H W Gibson, J S Allpress (D HoH), Mr A M G Brunt (Housemaster), H H Meyer (HoH), O T H McVerry, C Hanekom

2022 began with disruptions with COVID-19 having a major impact on the first half of the year. Our annual beginning of year House Camp was cut down to a one day excursion to South Beach in Whanganui. This still provided the House with the opportunity to bond and for our Year 13 students to set the tone for the year.

Collegiate Weekend was further disrupted with parents not being able to attend and Inter-House

Athletics being held at School on the golf course due to restrictions. We won the Grainger Cup again this year, for the morning session of Swimming Sports with many of our young men making finals.

We were also able to celebrate the academic success of 2021 at the Academic Awards Assembly. **Xavier Calkin** gained NCEA Level 1 with Excellence and **Jacky Dai, Aaron O'Regan, Mikaere Petley, Edward Poon** and **Paul Saengpakdee** gained NCEA Level 2 with Excellence.

Summer sports and Cultural Awards were held also with the following students gaining awards. Blues Tie: **Matthew Poulton, George Nilsson** and **Jacky Dai**. Service Tie: **Tom Dick, Edward Poon, Poon Punnarujawong, Paul Saengpakdee**.

During Term 2 we had our annual House Charity event where we raised over \$5000 for the New Zealand Mental Health Foundation. This was led by our Head of House, **Mikaere Petley**. We also had House Music where we were awarded Best House Song and Best House Band. This was well lead by **Mikaere Petley** and **Noah Lett-Cudby**.

With COVID-19 settling down and restrictions being relaxed we were able to have our Winter Sports Festival at the end of Term 3. Our teams for Basketball, Senior Boys Hockey, Junior Netball and Indoor Athletics won their respective competitions.

Winter Sports and Cultural Awards Assembly was held during Term 4 with the following students gaining awards: Cultural Tie: **Sam Cranstone**. Service Tie: **Mikaere Petley**. Blues Tie: **Pita Manamanaivalu, Oliver Hutchins**. Honours Tie: **Blake Hoskin**.

Also, in Term 4 our Junior House Debating team won this competition along with Junior House Tikanga and the Junior Academic Trophy awarded at the Junior Prizegiving.

At our House dinner we were able to celebrate the year that was and the end of our Year 13 students' time at WCS. On behalf of the House I would like to congratulate them on their success this year and over their time with us. We wish them all the best for their future.

*Mr Gareth Wright*  
Hadfield Housemaster

## HOUSE AWARDS

TEAM Hadfield MVP - **Wilbur Whyte**

The Wing Cao Trophy - **Blake Hoskin**

2022 has been very good year for Harvey House. Led by **Konradd Newland** and a committed group of seniors, the House has gone from strength to strength, demonstrating wonderful spirit and togetherness along the way.

The year began with our House Camp in the stunning sunshine. This allowed us the opportunity to set the tone in terms of our values and standards and have some fun together at Kai Iwi Beach.

Konradd and the seniors were determined that each member of the House would 'give everything 100%', and everyone rose to the challenge. While the first Collegiate Weekend saw us wear masks at the pool and have the Inter-House Athletics on the Golf Course, the competition was as fierce as ever. Congratulations to

**Eli Abraham** and **Ethan Bishop** who were the Individual Swimming Champions in their respective categories.

*Eli Under 14 Champion*

*Ethan Under 15 Champion*

The second half of Term 1 and the first weeks of Term 2 were heavily disrupted by COVID and the flu, but we were over the worst of it in time for the Inter-House Cross-Country which marked the first time that families were able to come on site for 18 months. **Matthew** and **Daniel Sinclair** ran brilliantly to win their respective races and **Elliot Jones** and **Lucas Martin** ran

*Matthew*

*Daniel*

*Elliot*

superbly to make it a Harvey 1-2-3 in the Senior Boys' race. **Daniel** was selected the NZSS Cross-Country team and competed in Adelaide in September.

Charity Week enabled us to look beyond School as we raised over \$6000 for the New Zealand Down Syndrome Association. A large part of our fundraising was through the '21km Challenge' which saw the boys run, walk or cycle around Whanganui to cover the distance. It was a whole House effort and proved to be great bonding for the juniors.

**Richie Mao** led our efforts for House Music with his characteristic passion and showmanship, and we all enjoyed the boys'

Part-Song performance of Mungo Jerry's "In the Summertime". Our House Song saw us perform a mash-up of the Beatles and Beach Boys which were played to perfection by our band.

**Carlos Wilson** prepared us well for the Inter-House Tikanga competition in Term 3. We showed good spirit and it was pleasing to see our affiliated girls play a more active role. We had the Inter-House Tug-of-War later that day and victories in three of the six finals, including an epic performance from the Senior Boys, meant that Harvey won the overall trophy.

The Winter Sports Festival returned in 2022 and we enjoyed watching every member of the House play their part. We started the competition by winning the Badminton title and were competitive in each sport. We were delighted to win the Senior Boys Basketball, Junior Football and Senior Netball. The Indoor Athletics was an exciting event and Harvey did brilliantly to jump from third in the standings to joint winners with some gutsy performances in the final round of the pursuit races. We also had a titanic game against Grey to bring home our first Senior House Rugby title in 18 years.

Junior Girls Hockey

Junior Football Champions

There was further rugby success when **Konradd Newland** and **Josh Brunger** were selected for the NZ U18 Barbarians and U18 Maori Rugby Teams respectively. **Judah Saumaisue** was selected to the Fiji U18 side; it was a wonderful way for this trio to finish their high school rugby careers.

Oscar

Harvey had a fantastic year in Inter-House debating, winning the Intermediate and Senior titles, and finishing as the runners-up in the Junior competition. **Elliot Jones** and **John Bryant** were at the forefront of our efforts, utilising their experience from CNI debating to mentor the juniors to ensure that we remain competitive in future years.

Badminton - Hector and Ryan

Thank you to the House Team for all their work this year. They have been great role models by being calm, patient and organised, and have always put the young men and women of Harvey first.

**Konradd** was an outstanding Head of House who did the basics well and led by example in everything he did. His words of wisdom in his Blueshirt speech perfectly sum up his honest, open-minded and hardworking approach to life. He was wonderfully supported by his peers who embodied what it means to be a 'Good Harvey Man'. We would like to thank all of them for their contributions and wish them the very best of luck for the future.

*Mr Henry Jones* - HARVEY HOUSEMASTER

Year 13 2022

## HOUSE AWARDS

**Junior Sportsman - Ethan Bishop**

**Senior Sportsman - Joshua Brunger**

**Johnson Junior Cultural Award - Logan Brown**

It has been a fantastic year in Selwyn House as we have returned to competing in all the House events we love and have missed over the past few years. Once again, we were proud of our House Spirit, but the highlight was a long awaited 1st place in a House competition.

The foundation of a successful year was built from our House Camp which saw us stay on site this year because of COVID restrictions, but spend the day out at Pauri Lake, sailing and jet skiing, enjoying each other's company and creating the bonds that would carry us through a busy but rewarding year. **Marley Orr** and the large contingent of Year 13s did a fantastic job, being flexible and instilling our values from the outset.

Our first Collegiate Weekend saw us celebrate **Marley Orr** winning the Senior Boys Swimming Individual competition for the second year running, plummet from first to last in the Inter-House Swimming section and then finish strong on the track to take a well-deserved second place in Inter-House Athletics, led by **Jonty Tripe** as Captain. The restriction of masks and distancing ourselves from one another was a test, but we took on this challenge with the attitude that we have come to expect of our students and the weekend was a huge success.

House Music saw the boys led by **Thomas Wilkinson-Smith** take on a 70s mash up of 'Hit the Road Jack' by Ray Charles and 'Let's Twist Again' by Chubby Checker. Our Part Song led by **Eruera Delamere-Heap** took on a huge song in Queen's, 'Don't Stop Me Now'. The hours of rehearsal were well worth it as the House exuded energy and enjoyment throughout their performances and were justly awarded the House Spirit Shield. **David Ritchie** also received the Best House Technical Director award which we were very pleased with as David has been a big contributor behind the scenes for the past five years.

The standout performance of the year was saved for House Tikanga. It was great to see the Selwyn boys and girls come together to put in a winning performance on the Sunday. Many hours of practice had been dedicated to giving a performance that showed the importance of our Tikanga to the House and **Sasha Milentijevic-Vague** showed true leadership ability in stepping into the role of Kaea, winning best Kaea across the four Houses.

Winter Sports Festival gave everyone the opportunity to pull on the Selwyn jumpers and represent the House in a range of sports.

**Jack Evans** did a fantastic job in organising our teams and it was a hectic but rewarding couple of weeks. Our Senior Boys Football and Junior Boys Hockey were the standout performers, but it was also special to see students putting their hand up to give things a go for the House and the Winter Sports Festival which brought more connection and belonging to the House.

As always service has been a huge part of the year and we were very proud of the \$7000+ we raised for Ronald McDonald House Charity through our Charity Week. The House was a buzz with deep fryers and milkshake makers and the leadership from our Year 13s was outstanding all week. Other events such as Relay for Life, Foodbank drives and general service in the community have been well represented and something that is very important to the Selwyn students.

The Selwyn students can be proud of the year they have had. We have had great success in House competitions, but also shown a new level of focus and commitment to giving performances we are proud of. Our representation in the Intermediate Debating Final is a great example of the improvements we have made as a House in all areas of our School life. We continue to work hard to create a unique House spirit and culture but also to strive to represent Selwyn House with excellence.

A huge thank you to the Selwyn staff for 2022. They continue to foster exceptional relationships and the students know they are lucky to have such a supportive, fun-loving team around them.

A big thank you to **Marley Orr** and the Year 13s for the way they have maintained standards in Selwyn while also creating a kind and inclusive culture. They have driven Selwyn forward with their pursuit of success. Best of luck for your future endeavours, stay in touch and we look forward to seeing your many triumphs in the years to come.

*Mr Selwyn Hodges*  
Selwyn Housemaster
